Hi Melissa,

I had a meeting this morning with Mr. Tam Van Tran and Mrs. Lanh Tran. We had a Vietnamese interpreter (Loc Nguyen) at the meeting. Mr. Tran and Department did not agree to settle this matter. The parties will be attending the scheduled hearing on September 29. Mrs. Lanh Tran informed me that she does not want to defend against the Department request that her sport fishing privileges be permanently revoked. She indicated that she does not want to fish and does not object to the permanent revocation of her sport fishing license.

Please let me know if you need additional information from the Department to put into effect Mrs. Lahn Trans permanent revocation.

Regards,

Linda Barrera
