

AB 711

*FGC to promulgate regulations no later than July 1, 2019, to require nonlead ammunition, as determined by the commission, when taking **all** wildlife, including game mammals, game birds, nongame birds, and nongame mammals, with any firearm.

A. SHEA OPTION

Subdivision 2, Chapter 1 -- Add a new General Provision and Definition:

- Modify existing sections 353(a), 353(h) & all of 355 for inclusion in Chapter 1, General Provisions. Strike sections 353(h), 353(h)(1), 355, and 475(f) referencing 2008 nonlead ammunition in the “condor range” provisions.
 - New Section Title: Ammunition Authorized for Taking of Wildlife with Any Firearm, Including Game Mammals, Game Birds, Nongame Birds, and Nongame Mammals.
-

Firearm & Ammunition Related Sections of Title 14
