Subject: Opposition to Wildcare Funding from MCFWC

May 9, 2014

Mr. Lewis:

I am writing to oppose the granting of MCFWC funds to Wildcare. MCFWC funds are derived directly from hunters and fisherman, and Wildcare is directly involved in anti-hunting activities in Marin County.

Wildcare sent representatives to a California Fish and Wildlife Commission hearing to speak out against legal waterfowl hunting in Tomales Bay. They are affiliated with Action Tomales Bay, and organization whose sole purpose is to stop all waterfowl hunting on Tomales Bay. While Wildcare does fantastic work, the idea that an organization who has documented, outspoken views against legal hunting in our county should receive county funds, for any reason, is the highest state of hypocrisy. I demand that the granted funds be immediately returned to the county to be used for the purpose set forth in the MCFWC statements.

Sincerely,

Nathan A. Dorris
