I am requesting a Market Squid Vessel (Experimental) Permit for the F/V Casey III F&G# 37514.

At this time my personal & vessel reg. are on record and current. I am aware this permit is from Pt. Arena north to the California Oregon border, and use of round haul gear, including purse seine, drum seine or lampara nets. Lights may also be used as specified in regulations to aggregate squid for the purpose of commercial harvest.

Sincerely,

Dan Yoakum
