

State of California
Department of Fish and Wildlife

Memorandum

Date: April 1, 2015

To: Sonke Mastrup
Executive Director
Fish and Game Commission

From: Charlton H. Bonham
Director

Subject: **Agenda Item for the April 17, 2015 Fish and Game Commission Teleconference
Request to Amend Subsection (d) of Section 27.80, Title 14, California Code of
Regulations.**

The Pre-adoption Statement of Reasons, Re: Ocean Salmon Sport Fishing Regulations effective May 1, 2015, is being submitted to the Fish and Game Commission (Commission) to show four public comments have been received and no additional regulatory changes have been made since the public notice of the Initial Statement of Reasons.

This package proposes to amend subsection 27.80 (d) to establish open fishing days, bag limits and minimum size restrictions for the salmon season in effect on or after May 1, 2015. The proposed amendments to Section 27.80 (d) will allow the Commission to adopt regulations that would establish ocean salmon recreational fishing regulations in conformance with federal rules that will be recommended by the Pacific Fishery Management Council on April 16, 2015.

If you have any questions or need additional information, please contact Dr. Craig Shuman, Region Manager of the Marine Region, at (805) 568-1246 or at Craig.Shuman@wildlife.ca.gov.
