To: Sonke Mastrup  
Executive Director

From: Charlton H. Bonham

Subject: **Request for changes to the Fish and Game Commission's 2015 regulatory calendar.**

The Department of Fish and Wildlife (Department) requests the following schedule changes to the Fish and Game Commission's (Commission) 2015 regulatory calendar:

- 1) Move the adoption of the Department's proposed amendments to the Central Valley Salmon Sport Fishing regulations from the April 8, 2015 Commission meeting to the April 17, 2015 Teleconference Hearing. The final Pacific Fishery Management Council (PFMC) regulatory recommendations to the National Marine Fisheries Service will not be made until April 16, 2015.
- 2) Move the discussion hearing for regulations implementing the Bobcat Protection Act to the June 11, 2015 Commission meeting, with adoption at the August 5, 2015 meeting. Additional time is needed to refine the fee structure for bobcat validation stamps and shipping tags. Department staff can provide an update on this subject at the April 9, 2015 meeting.
- 3) Move the notice hearing for the Wildlife Rehabilitation regulations from the April 9, 2015 Commission meeting to the August 5, 2015 meeting. Department staff needs additional time to complete the proposed transition from a Memorandum of Understanding to a permit authorization.
