

CALIFORNIA FISH AND GAME COMMISSION
REQUESTS FOR REGULATORY ACTION TO AMEND OCEAN SPORT FISHING REGULATIONS (March 2014 - February 2015)
Revised 2-23-2015

FGC - California Fish and Game Commission; **DFW** - California Department of Fish and Wildlife; **MRC** - Marine Resources Committee

Date Received	Name of Petitioner	Subject of Request	Short Description	FGC Decision
2/24/2014	Donald Kudrna	Abalone start time	Request to change 8:00 a.m. start time for abalone fishing	Rejected by FGC 6/4/2014
3/12/2014	Eric Billeci	Abalone	Increase the daily limit for abalone.	Rejected; no new data to justify change
5/12/2014	Fred Meyer	Abalone	Request to open abalone hunting before 8:00 a.m.	Reject; no new data to justify change.
6/5/2014	Joe Welz	Abalone	Request to reconsider 8 am start time for abalone harvest, open ab harvest in July, cut the yearly limit to 16, and increase the daily limit to 4.	Rejected 10/8/2014; regulations recently changed and abalone management plan under review.
9/11/2014	City of Hermosa Beach	Pier Fishing	Request for changes to pier fishing regulations and schedule for MRC discussion.	Referred to MRC 12/3/2014
9/14/2014	Thomas Bolender, Oceanside Senior Anglers	Rockfish lines and lingcod limits	Request to increase rockfish fishing depths to 60 fathoms, and to increase lingcod limit to three.	Referred to groundfish rulemaking. 12/3/2014
9/11/2014	Holly Gallagher, Colusa County Fish and Game Advisory Commission	Clams	Request to lower clam limits in Humboldt County, which are higher than the rest of the state.	Rejected 12/3/2014; no biological rationale to support change.
11/6/2014	Carol Reed	Gooseneck barnacles	Request to permit harvest of gooseneck barnacles (leaf barnacles).	Rejected 2/11-12/2015; no data or information submitted to support change.
11/7/2014	Jerry Hong	Gooseneck barnacles	Request to permit harvest of gooseneck barnacles (leaf barnacles).	Rejected 2/11-12/2015; no data or information submitted to support change.
11/3/2014	Alastair Bland	California halibut	Request to reduce daily bag limit to 1 fish, increase size limit to 26 inches, impose 2 fish possession limit, prohibit use of SCUBA in spawning areas, and season and limits for commercial boats.	Rejected 2/11-12/2015; next stock assessment will occur in 2015. Will consider in next fishery management plan.
10/6/2014	Jim Newton	Fillet regulations	Requests change to permit non-resident sport anglers to fillet salmon.	Referred to DFW 2/11-12/2015; refer to DFW for evaluation.
11/24/2014	Eileen O'Farrell and Reid Borgwardt	Gooseneck barnacles	Request to permit harvest of gooseneck barnacles.	Rejected 2/11-12/2015; no data or information submitted to support change.
1/14/2015	Robb Bury	Gooseneck Barnacles	Request to permit harvest of gooseneck barnacles.	Previously rejected by FGC
