TITLE 14. Fish and Game Commission
Notice of Proposed Changes in Regulations

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by Sections 2118 and 2120, of the Fish and Game Code and to implement, interpret or make specific Sections 1002, 2116, 2118, 2118.2, 2118.4, 2119-2155, 2190, 2271, 3005.2 and 3005.92, of said Code, proposes to amend Section 671, Title 14, California Code of Regulations, relating to New Zealand Mud Snails, Restricted Species.

Informative Digest/Policy Statement Overview

Current regulations restrict the importation, transportation, and possession of several animal species that could be detrimental to California ecosystems. The New Zealand mudsnail (NZMS), an invasive species that has the potential to significantly alter the aquatic ecosystem in many California streams, is not currently on the restricted species list in Section 671, Title 14, California Code of Regulations. Authority is currently lacking for the Department to restrict the possession, transportation or importation of NZMS. The Department is proposing to add NZMS to the restricted species list in Section 671 to enhance regulatory authority for controlling its spread into and within the State.

NOTICE IS GIVEN that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in Bahia Resort Hotel, 998 West Mission Bay Drive, San Diego, California on Tuesday, May 4, 2004, at 9:00 a.m., or as soon thereafter as the matter may be heard.

**Availability of Modified Text**

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Circumstances beyond the control of the Commission (e.g., timing of Federal regulation adoption, timing of resource data collection, timelines do not allow, etc.) or changes made to be responsive to public recommendation and comments during the regulatory process may preclude full compliance with the 15-day comment period, and the Commission will exercise its powers under Section 202 of the Fish and Game Code. Regulations adopted pursuant to this section are not subject to the time periods for adoption, amendment or repeal of regulations prescribed in Sections 11343.4, 11346.4 and 11346.8 of the Government Code. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.
