**TO ALL AFFECTED AND INTERESTED PARTIES:**

During the regulatory process to adopt regulations, including amendments to Sections 1.74, 29.15, 116, 300, 551 and 705; and to add Section 700.5, Title 14, California Code of Regulations, regarding the establishment of the Automated License Data System (ALDS), editorial and clarity changes were made in the originally proposed language, as adopted at the Commission's April 13, 2007, meeting.

Attached for your review is the [\*\*Updated Informative Digest\*\*](#) (the bold text relates to editorial and clarity changes), the [\*\*originally proposed regulatory language and the language for review\*\*](#), including a new Section 700.4, Title 14, providing the scope of the ALDS system.

Because these regulations are different from, yet sufficiently related to, the originally proposed regulations the Administrative Procedures Act requires that we make the changes available for a 15-day written comment period. Please submit written comments to the Commission office at the above-listed address no later than 5:00 p.m. on August 10, 2007.

Sincerely,

Jon D. Snellstrom  
Associate Government Program Analyst
