STATE OF CALIFORNIA

Fish and Game Commission

April 15, 2011

TO ALL AFFECTED AND INTERESTED PARTIES:

During the process of amending Central Valley salmon sport fishing regulations (Sections 7.00 and 7.50, Title 14, California Code of Regulations), changes were made in the originally proposed language.

Because these regulations are different from, yet sufficiently related to, the originally proposed regulations, the Administrative Procedures Act requires that we make these changes available to you.

Attached for your review is a continuation notice, including the Updated Informative Digest, and the originally proposed regulatory language with the new changes shown in double underline and deletions shown in ~~double strike-out~~.

Please note the dates of the public hearing related to this matter and associated deadlines for receipt of written comments.

Mr. Stafford Lehr, Chief, Fisheries Branch, Department of Fish and Game, phone (916) 327-8840, has been designated to respond to questions on the substance of the proposed regulations.

Sincerely,

Sherrie Fonbuena
Associate Governmental Program Analyst
