

Economic Impact Analysis

Creation or Elimination of Jobs Within the State, the Creation of New Businesses or the Elimination of Existing Businesses, or the Expansion of Businesses in California

The Commission does not anticipate any impacts on the creation or elimination of jobs, the creation of new business, the elimination of existing businesses or the expansion of businesses in California. The proposed regulations only address Commission procedures for election of its officers.

Benefits of the Regulation:

The proposed regulatory action will benefit the Commission with a more democratic process to elect its officers.

Benefits to the Environment

The Commission does not anticipate any benefits to the environment.

Health and Welfare of California Residents

The Commission does not anticipate any benefits to the health and welfare of California residents.
