

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

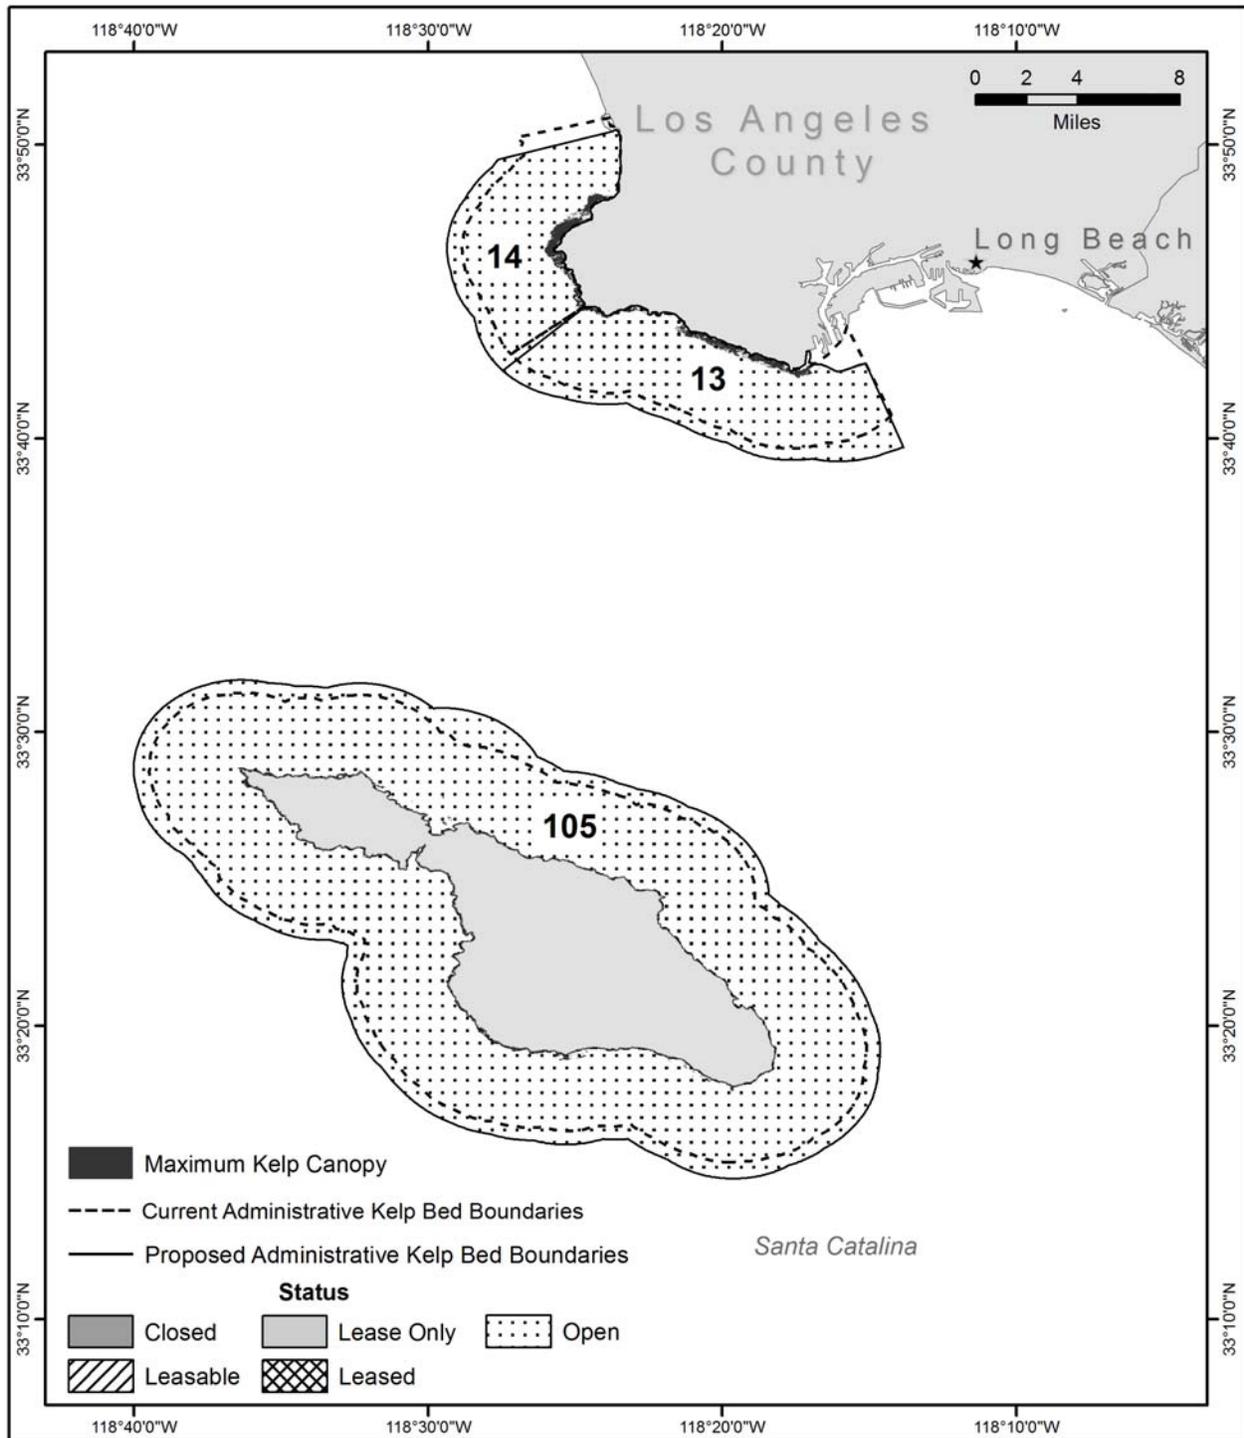

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

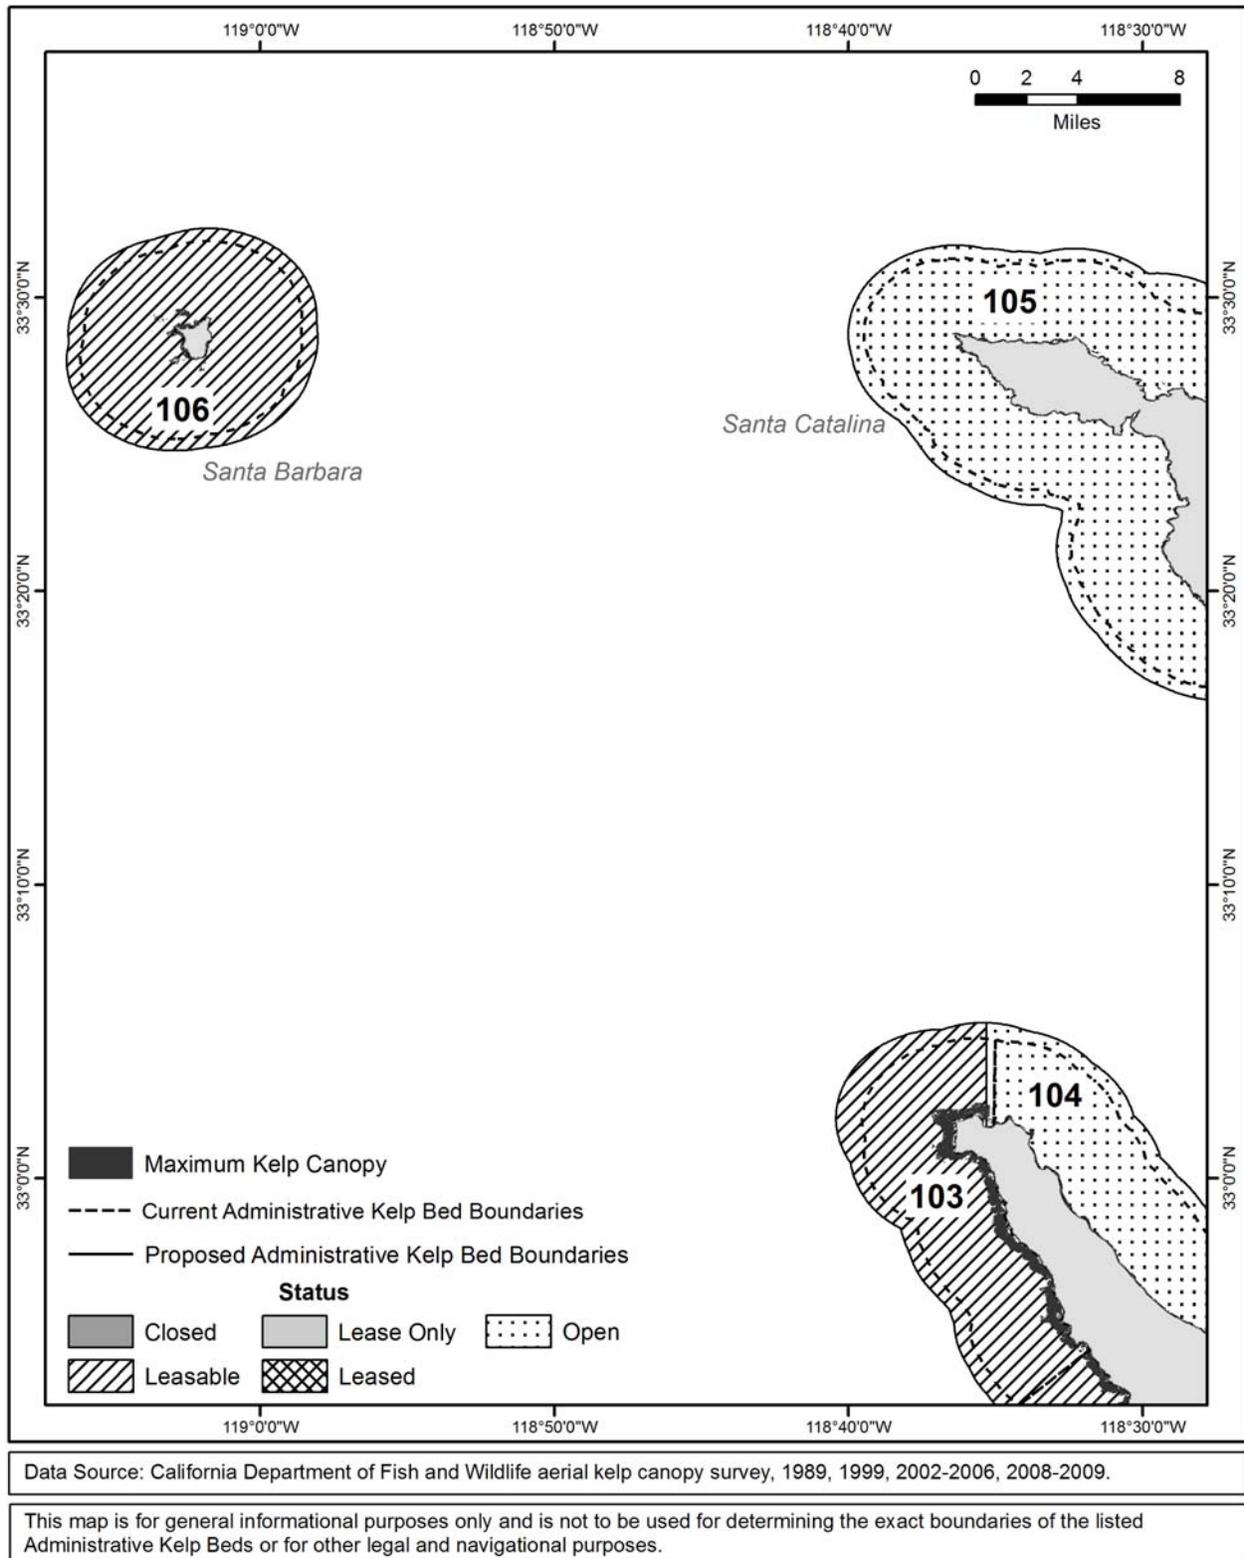

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

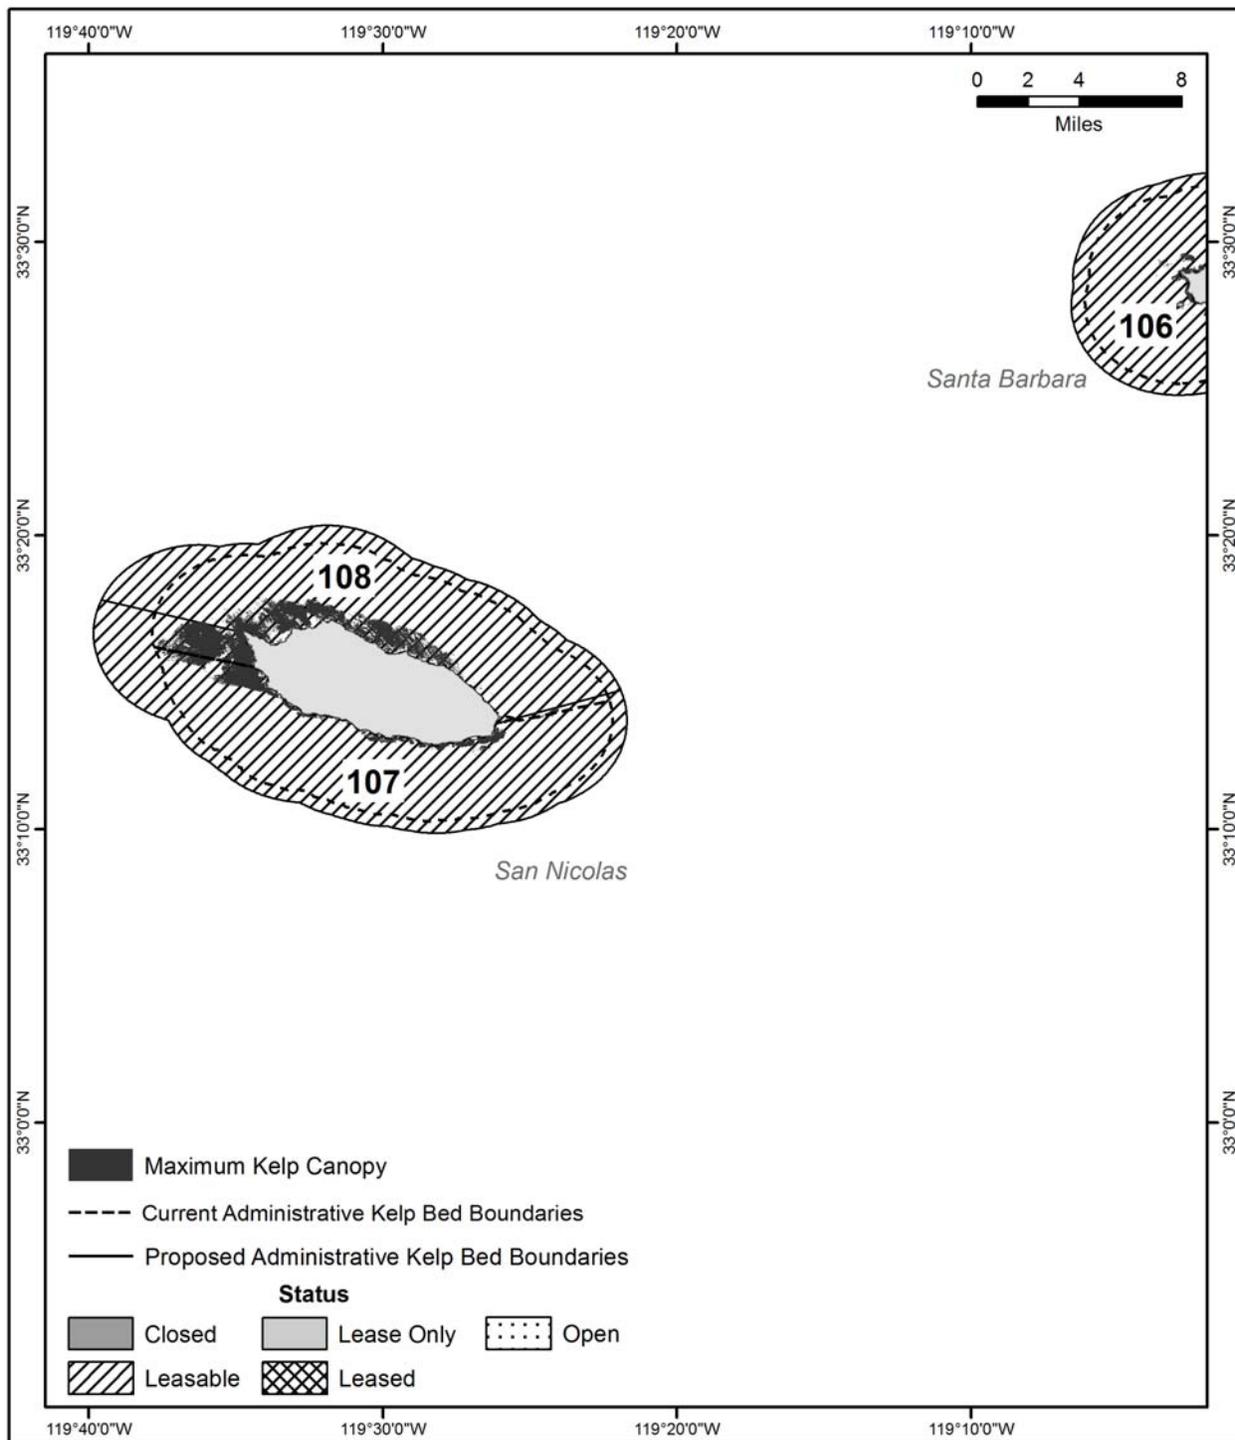

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

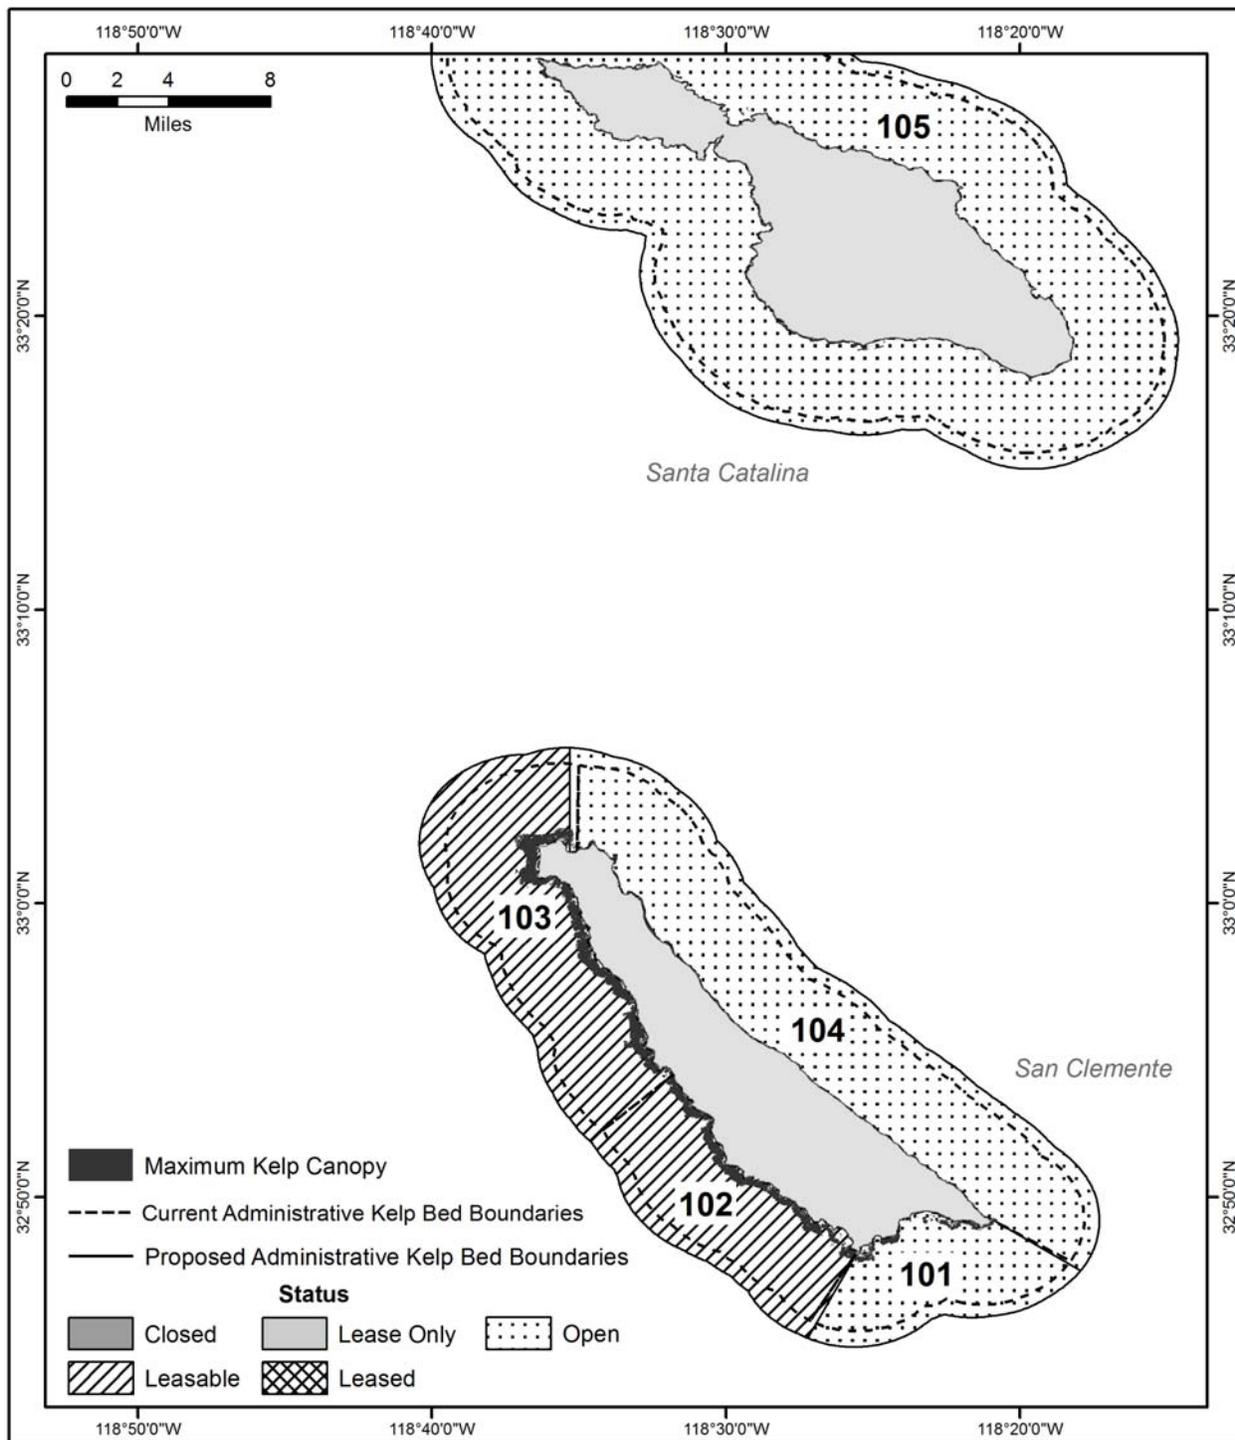

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

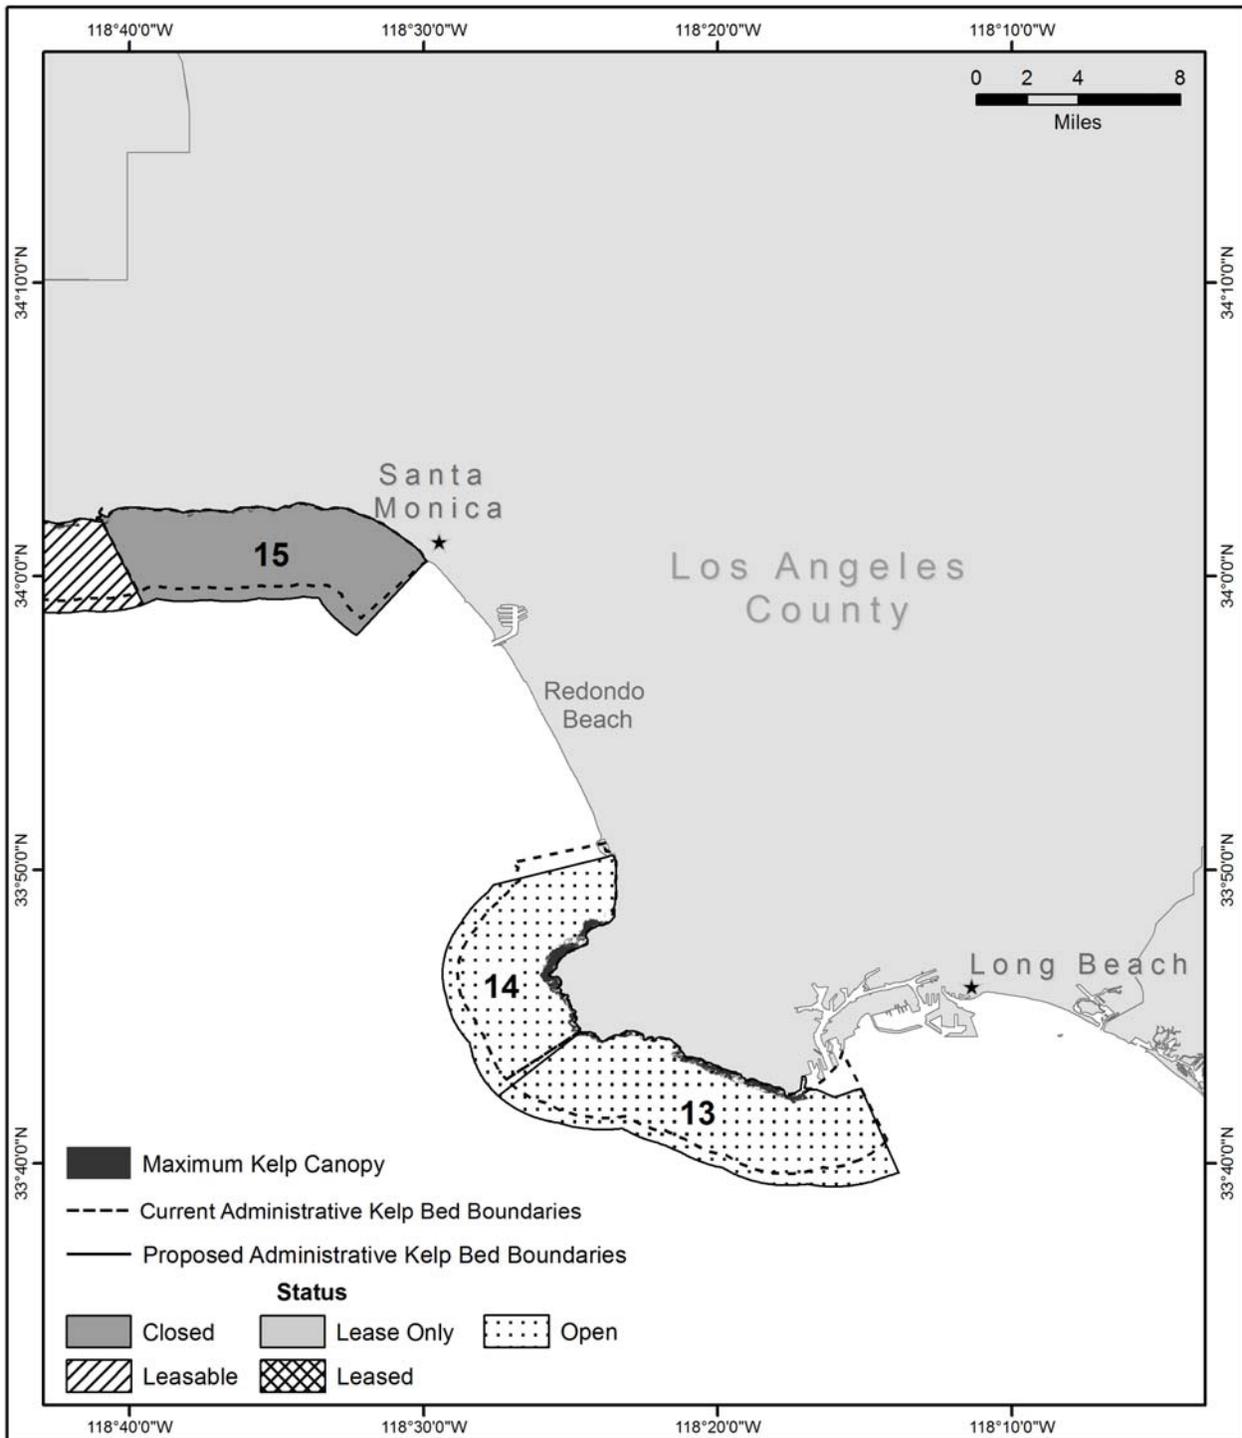

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

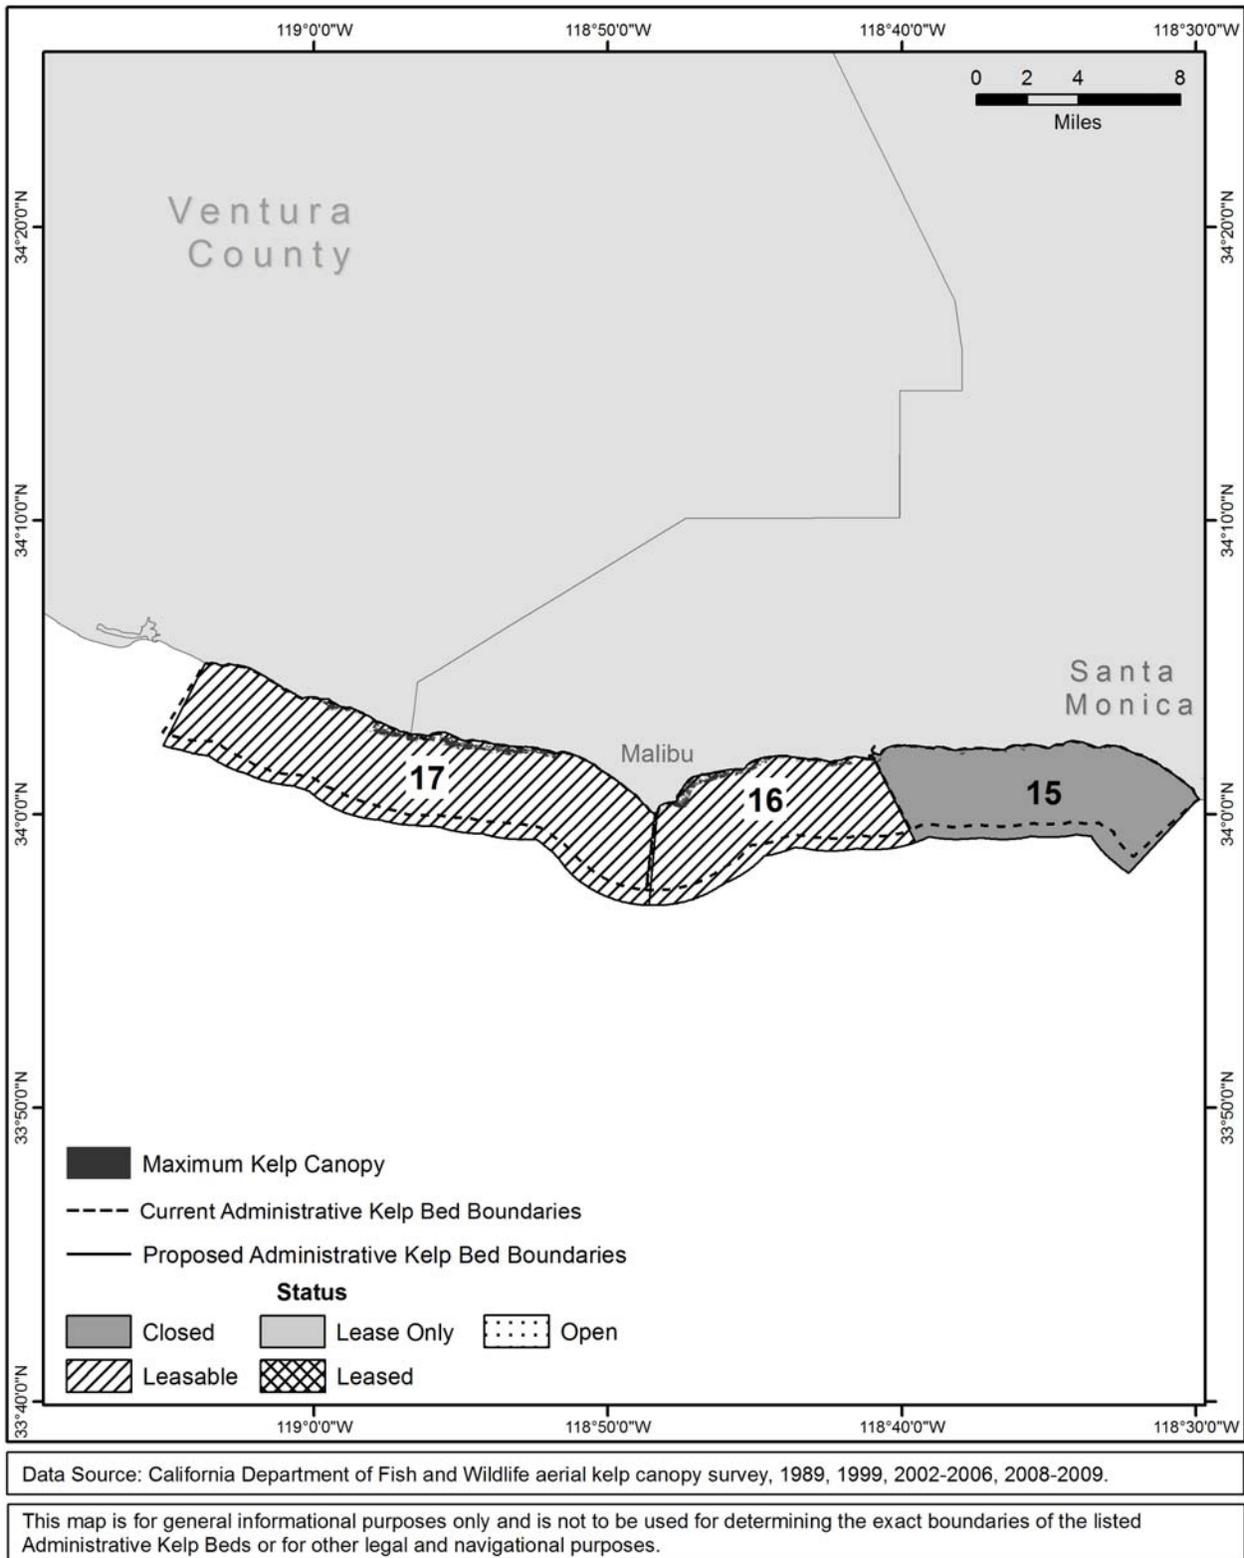

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

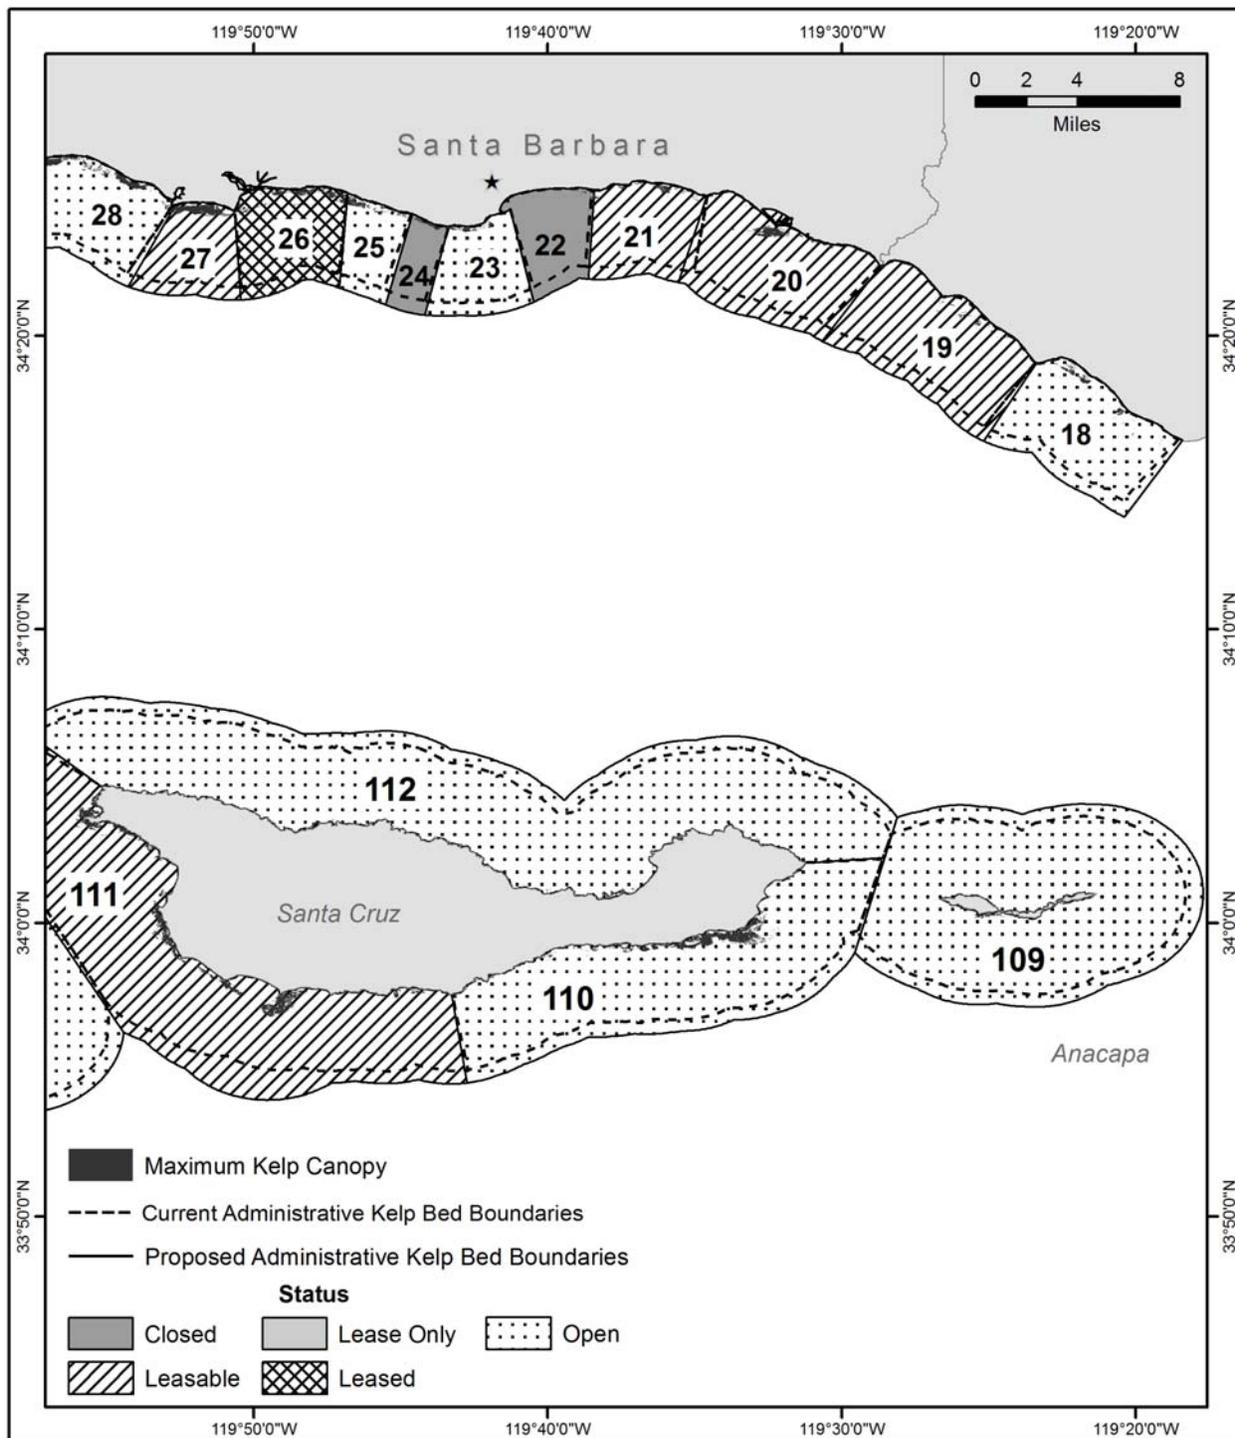

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

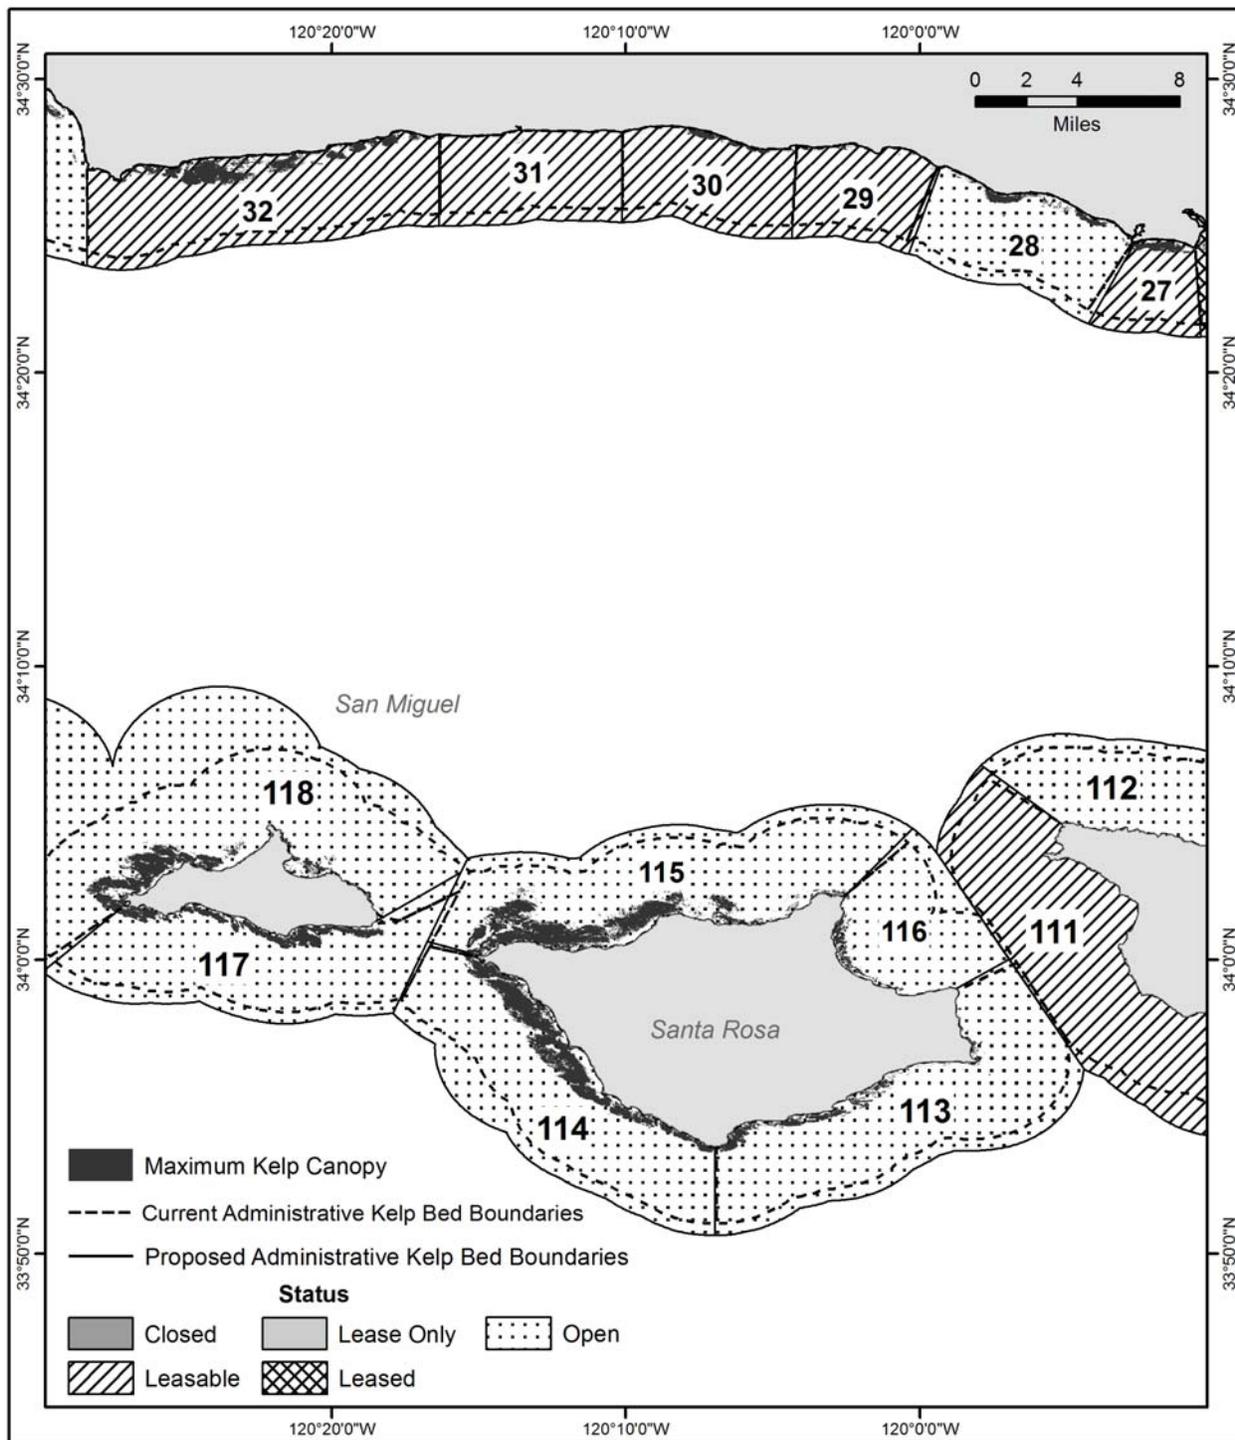

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

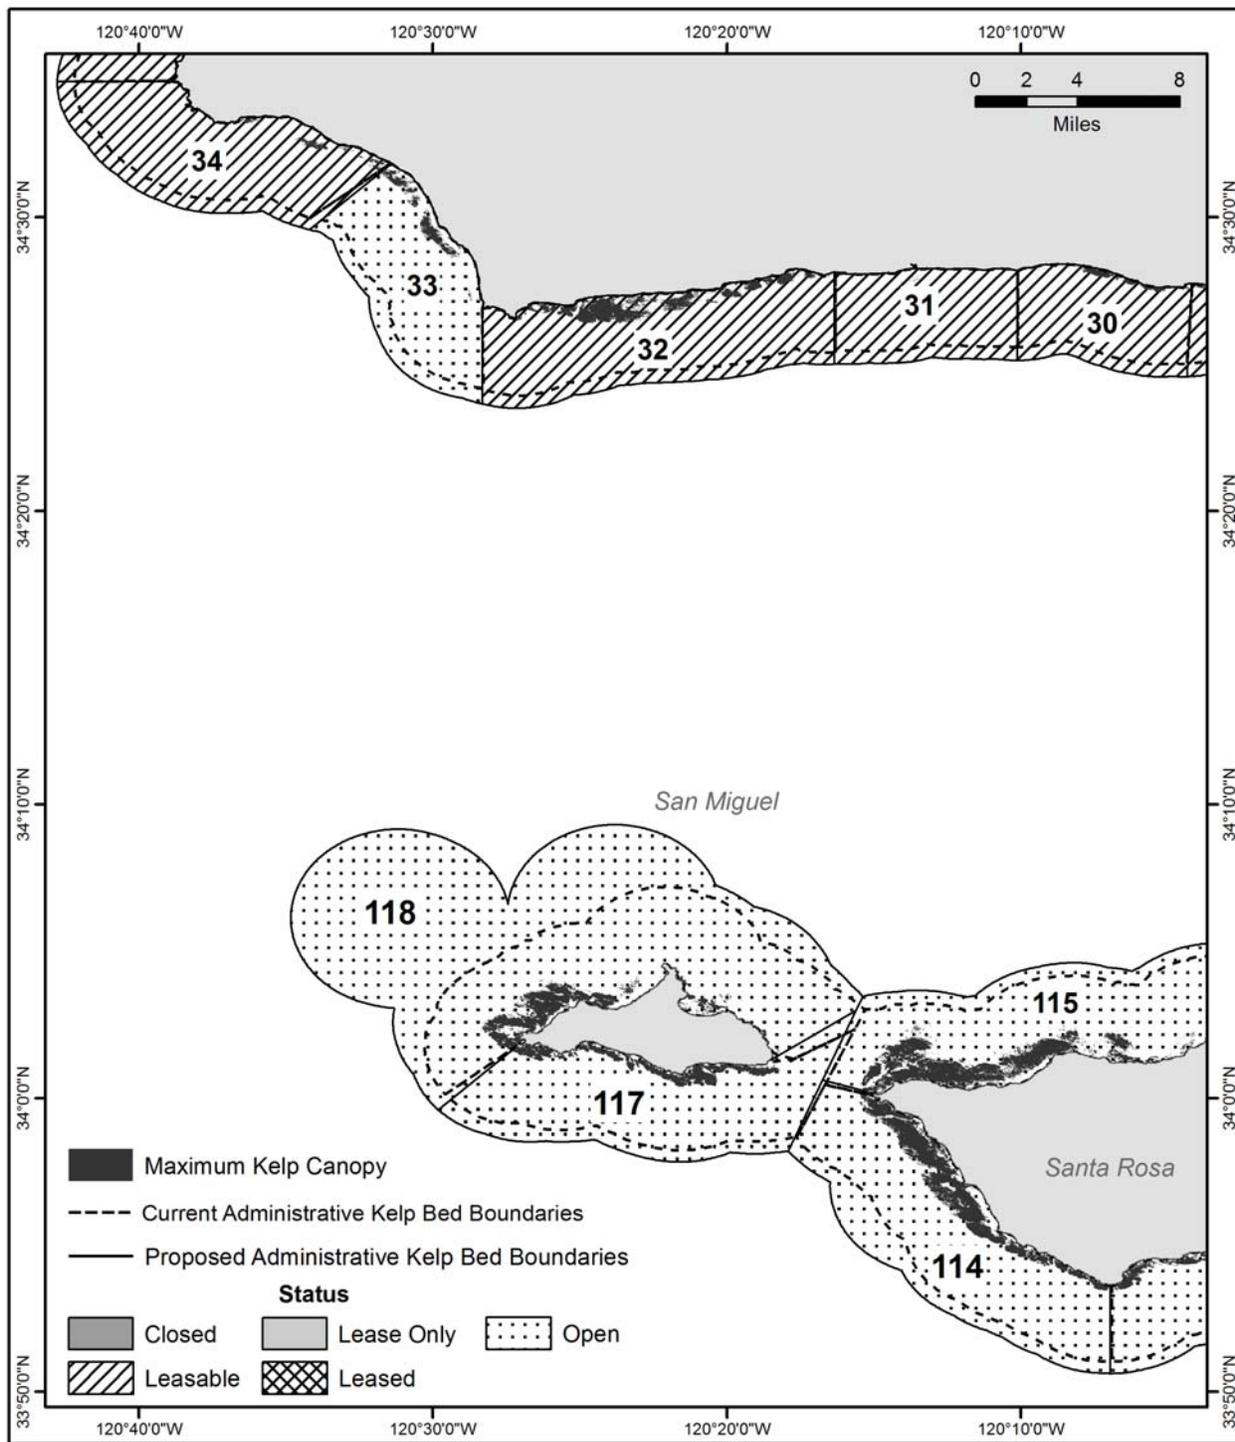

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

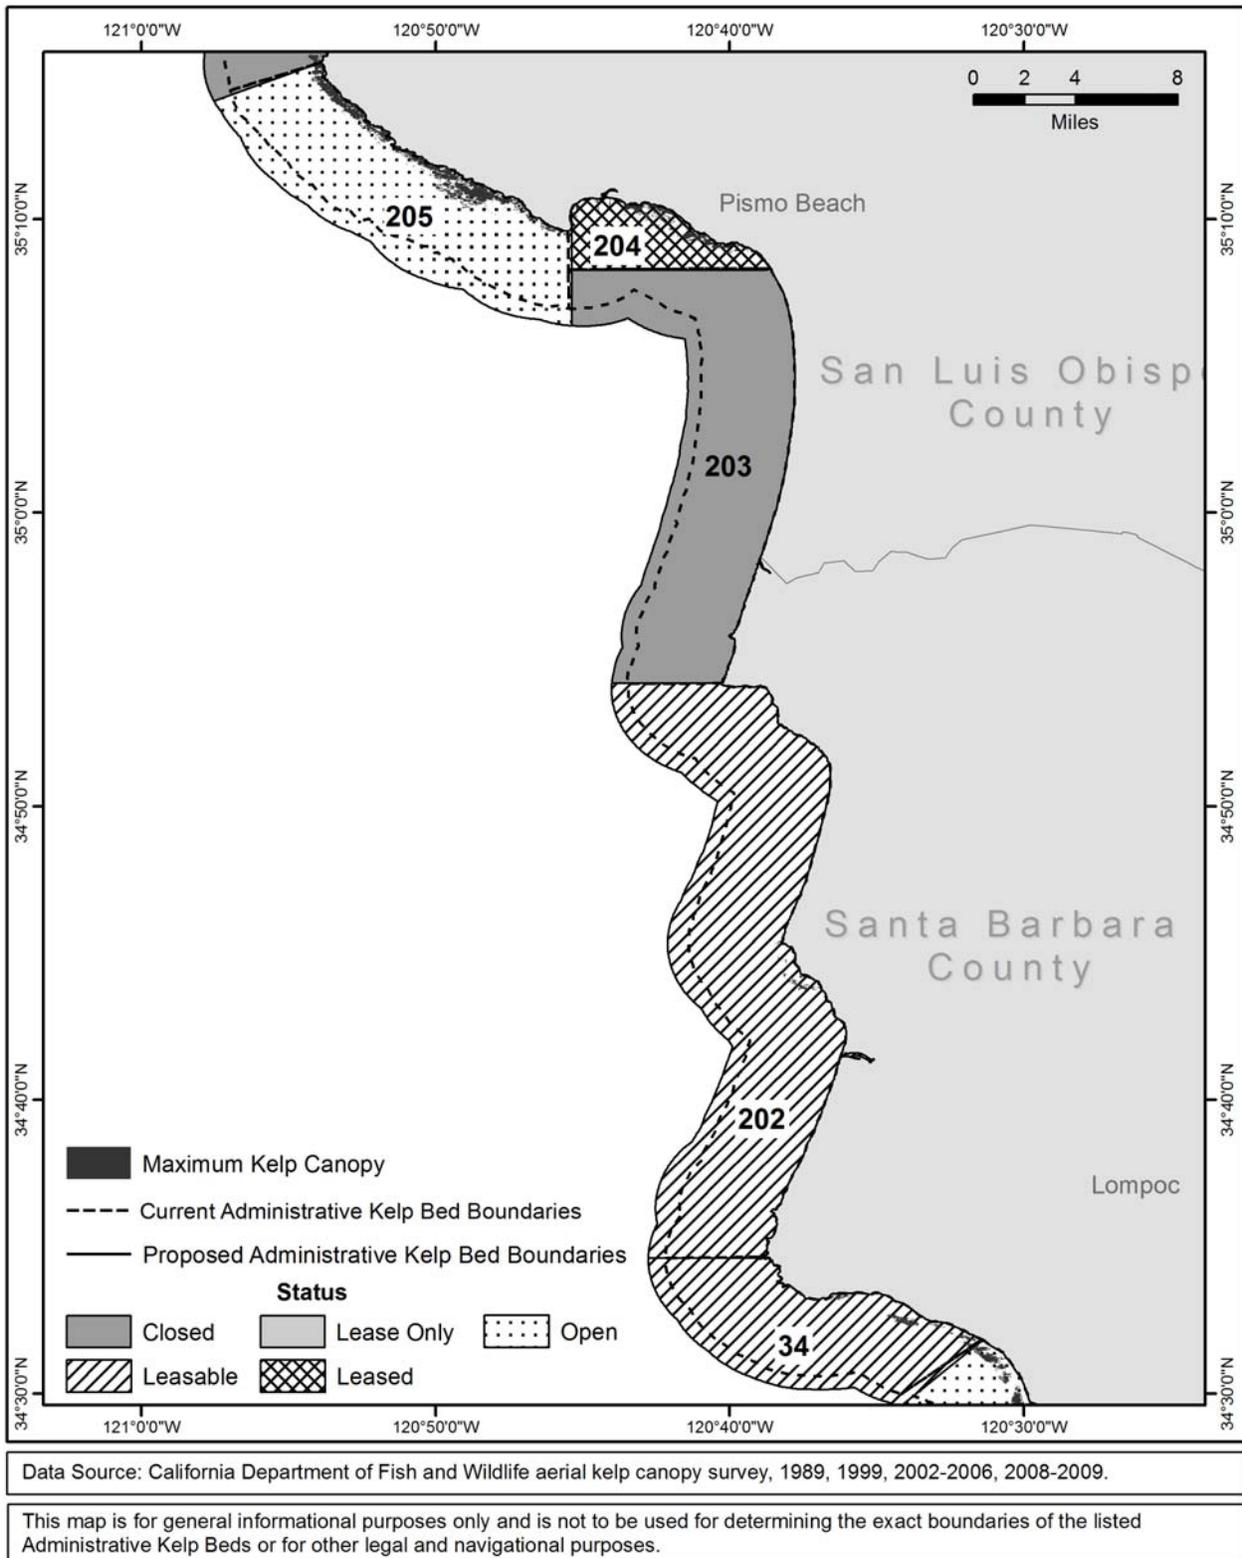

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

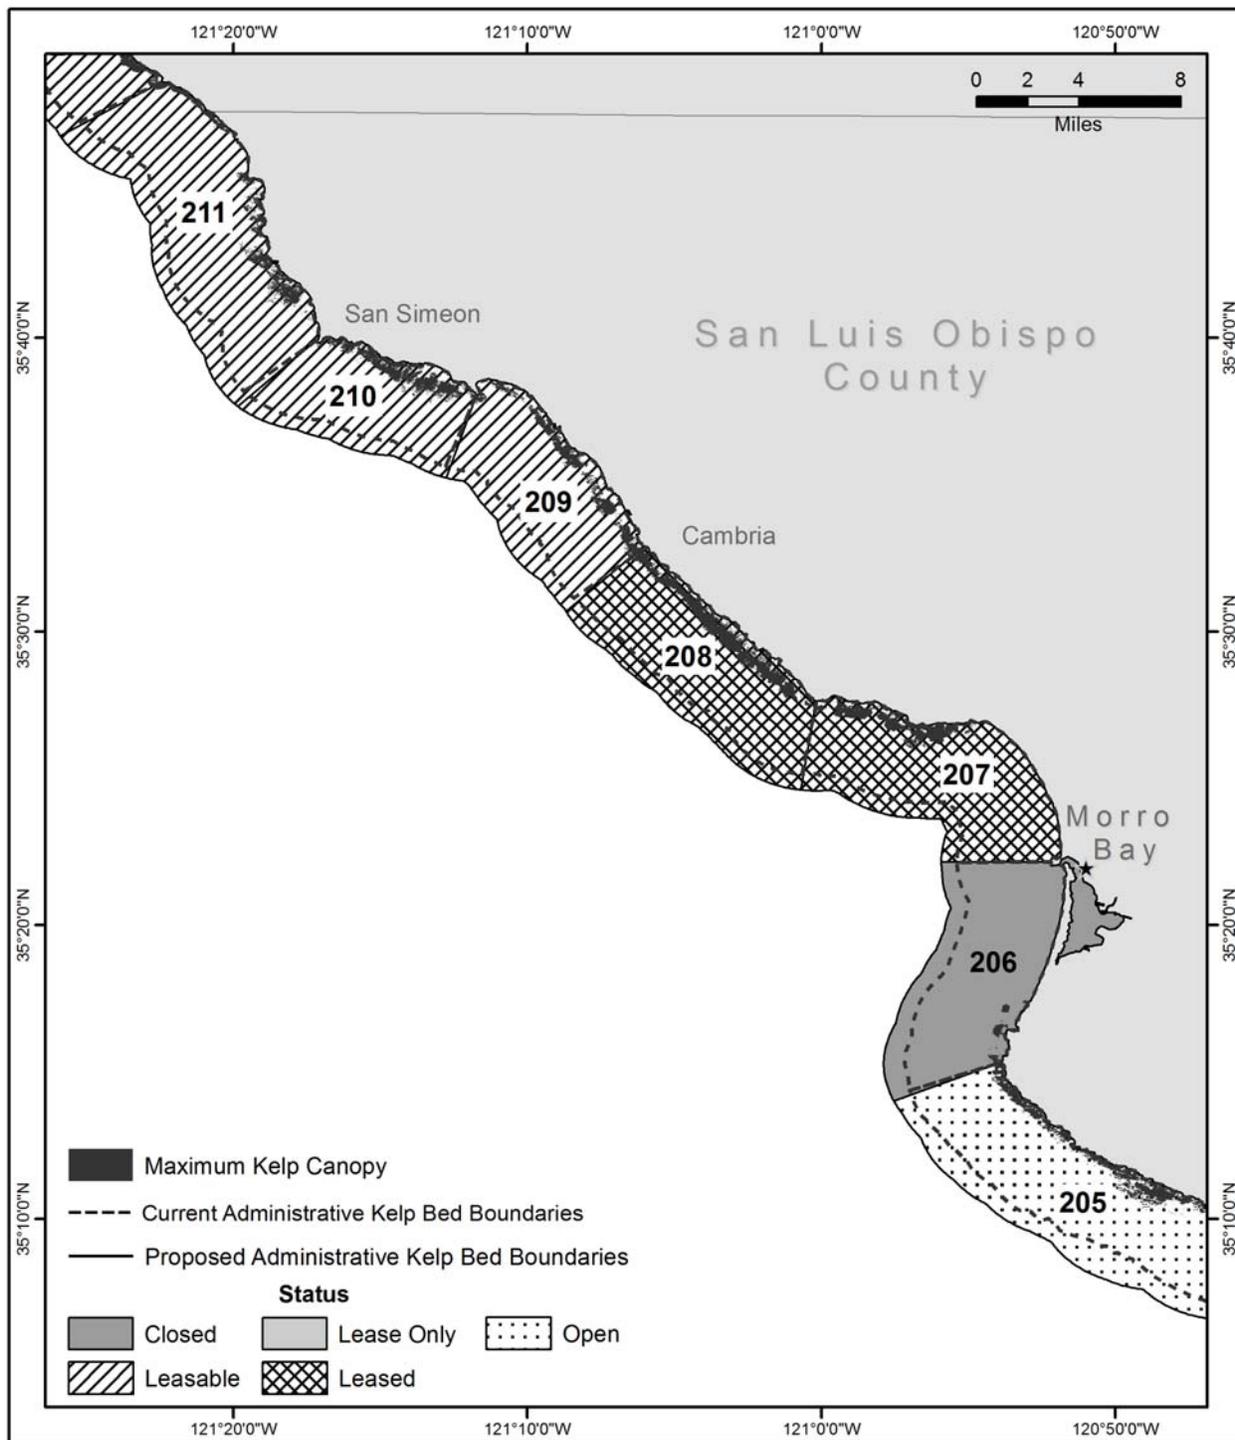

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

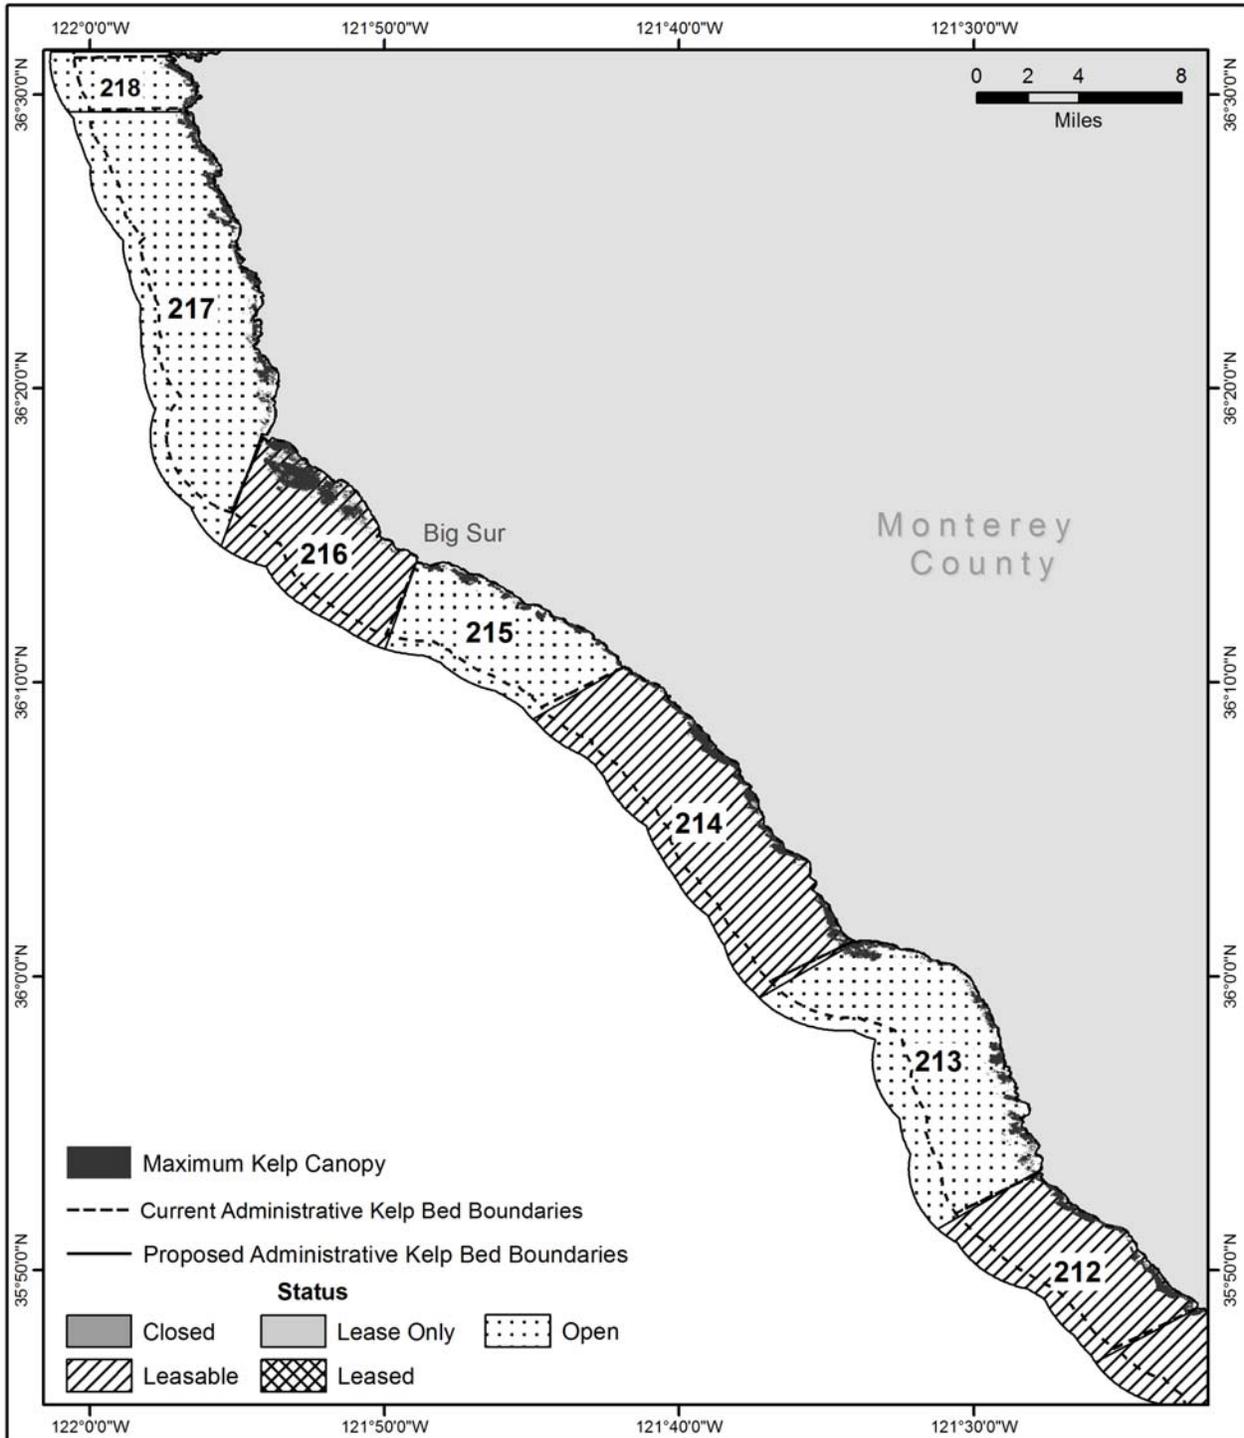

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

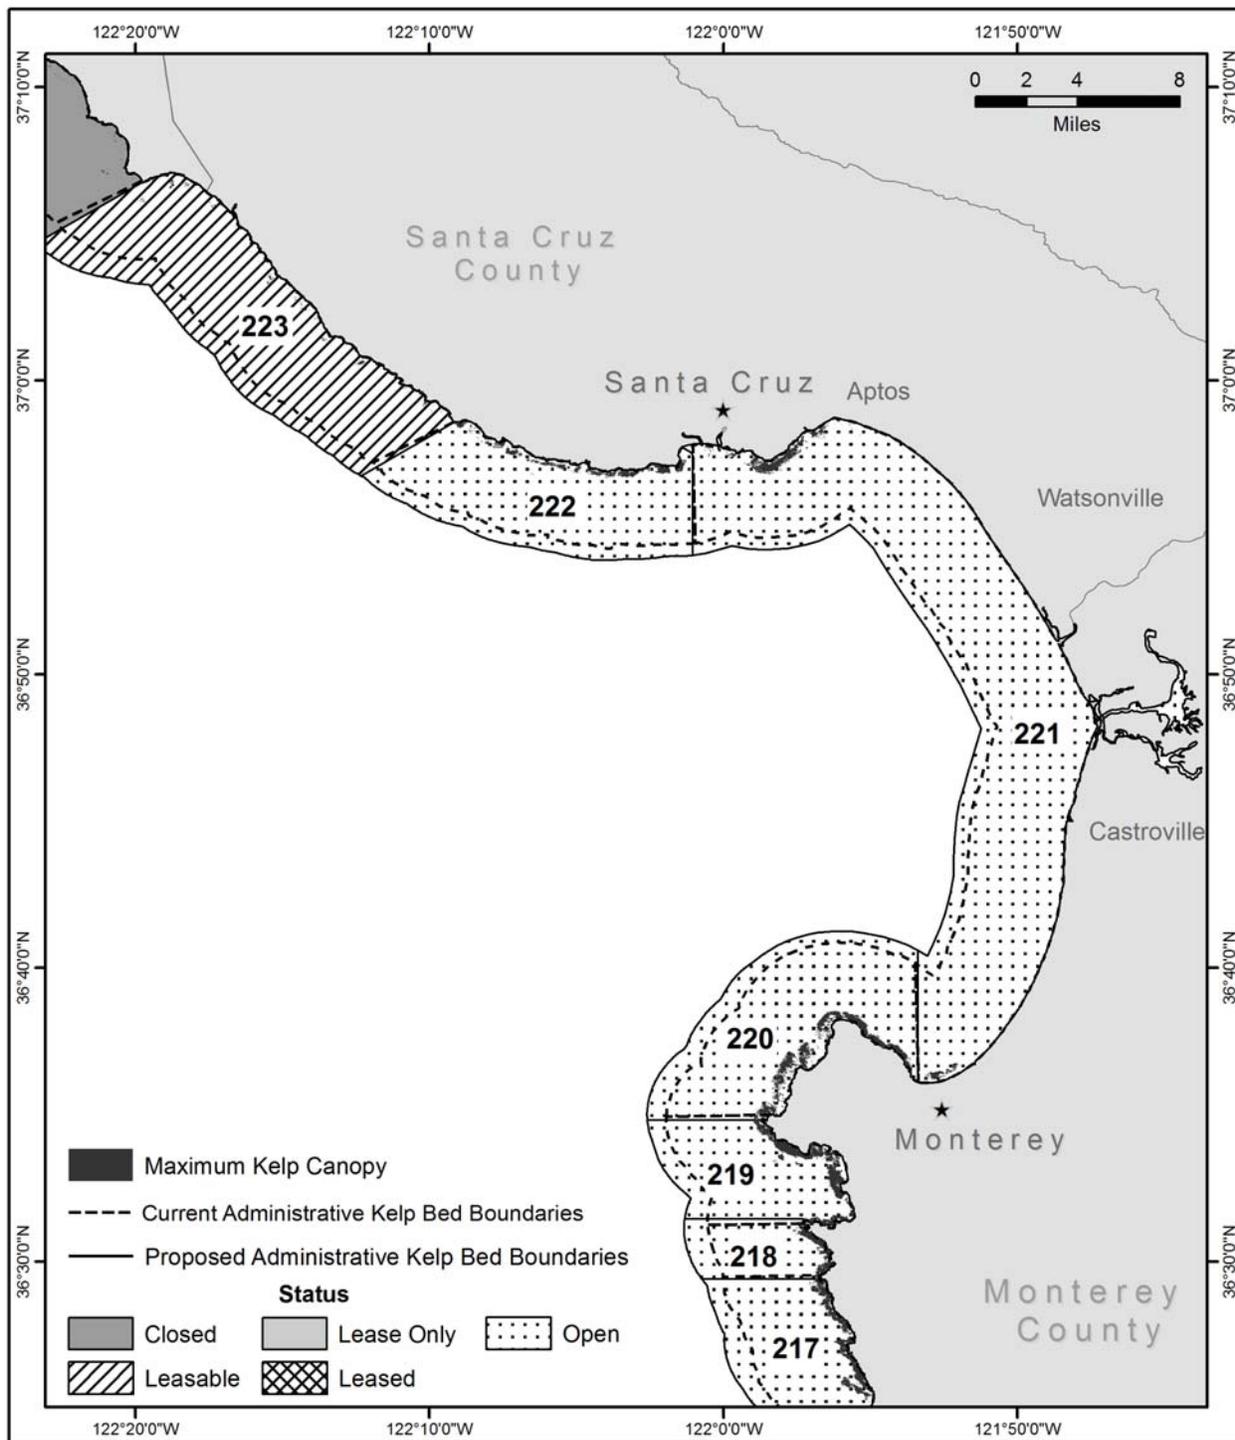

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

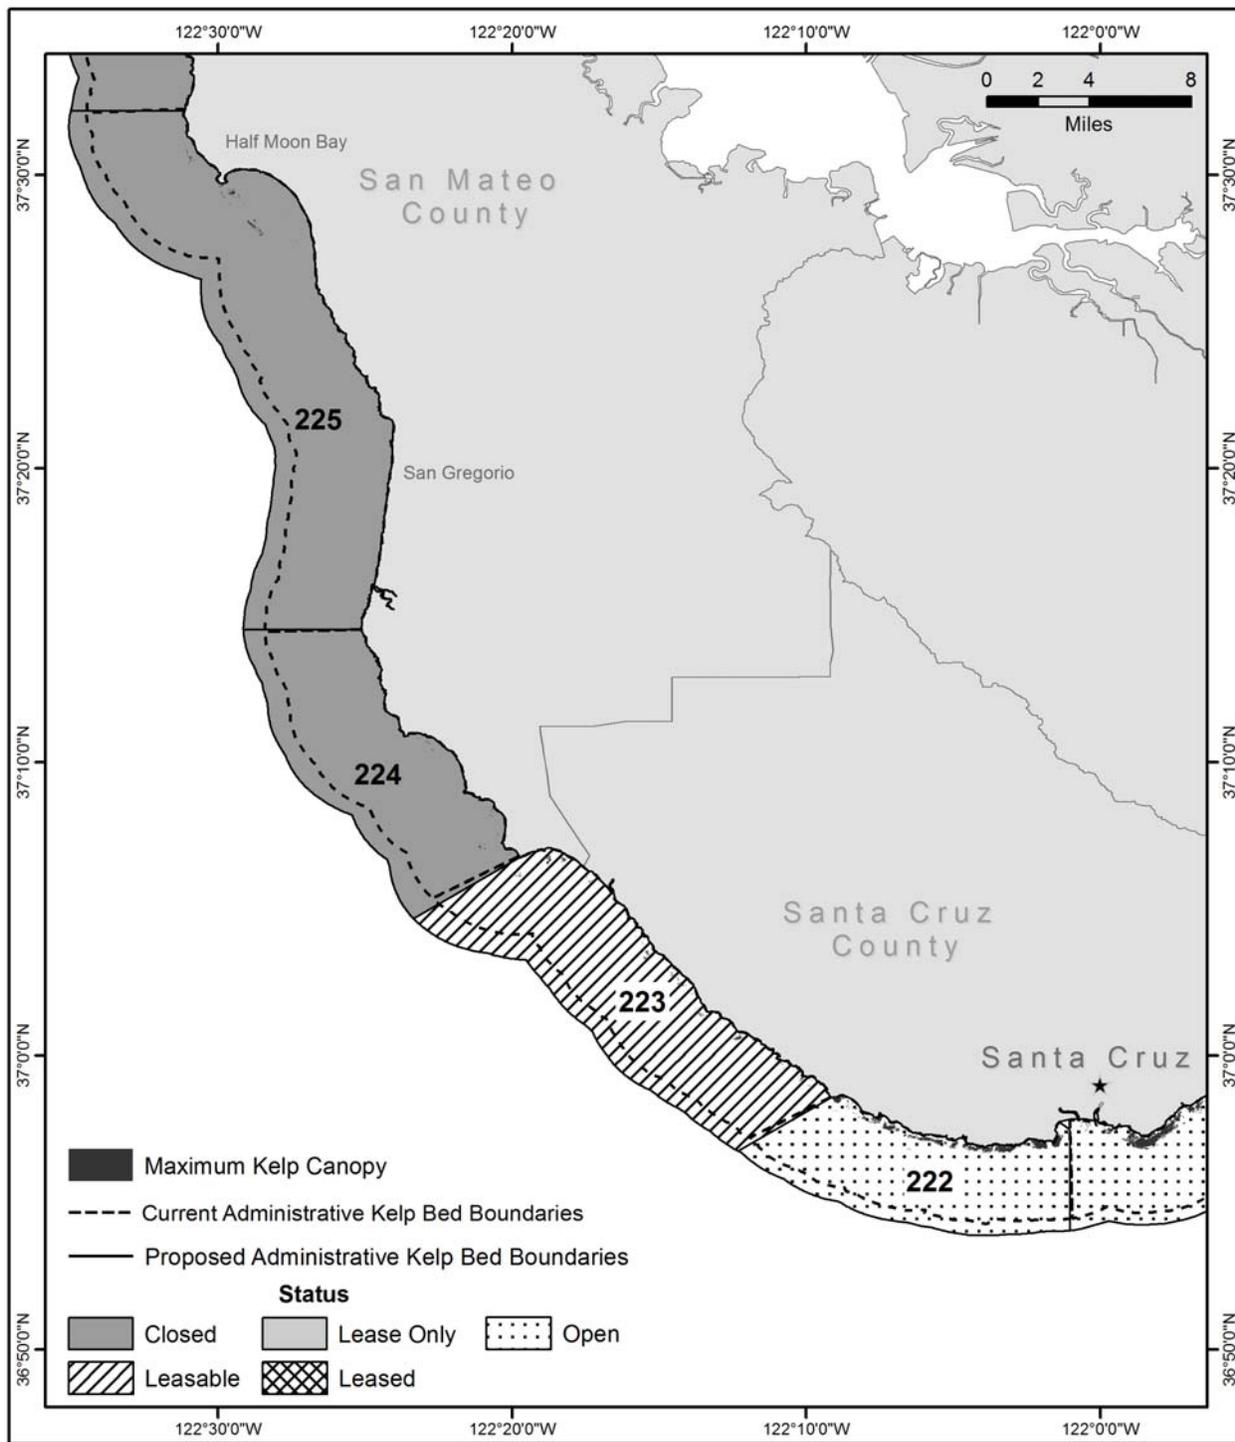

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

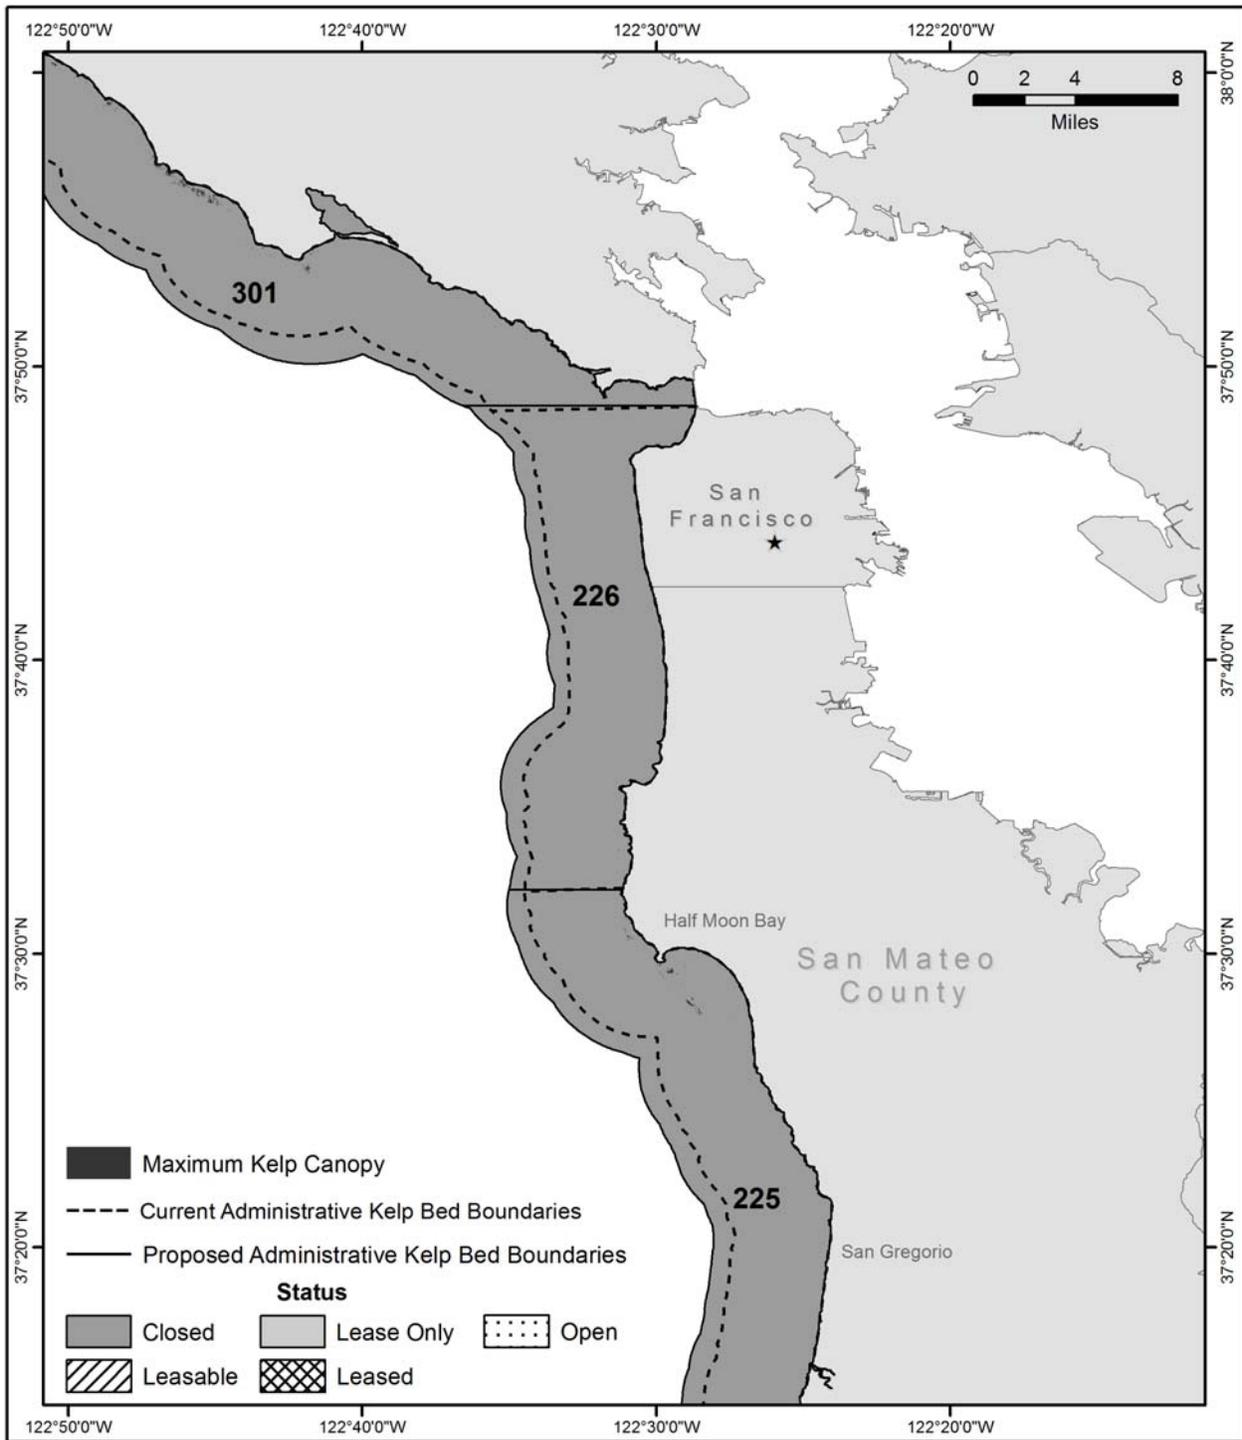

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.

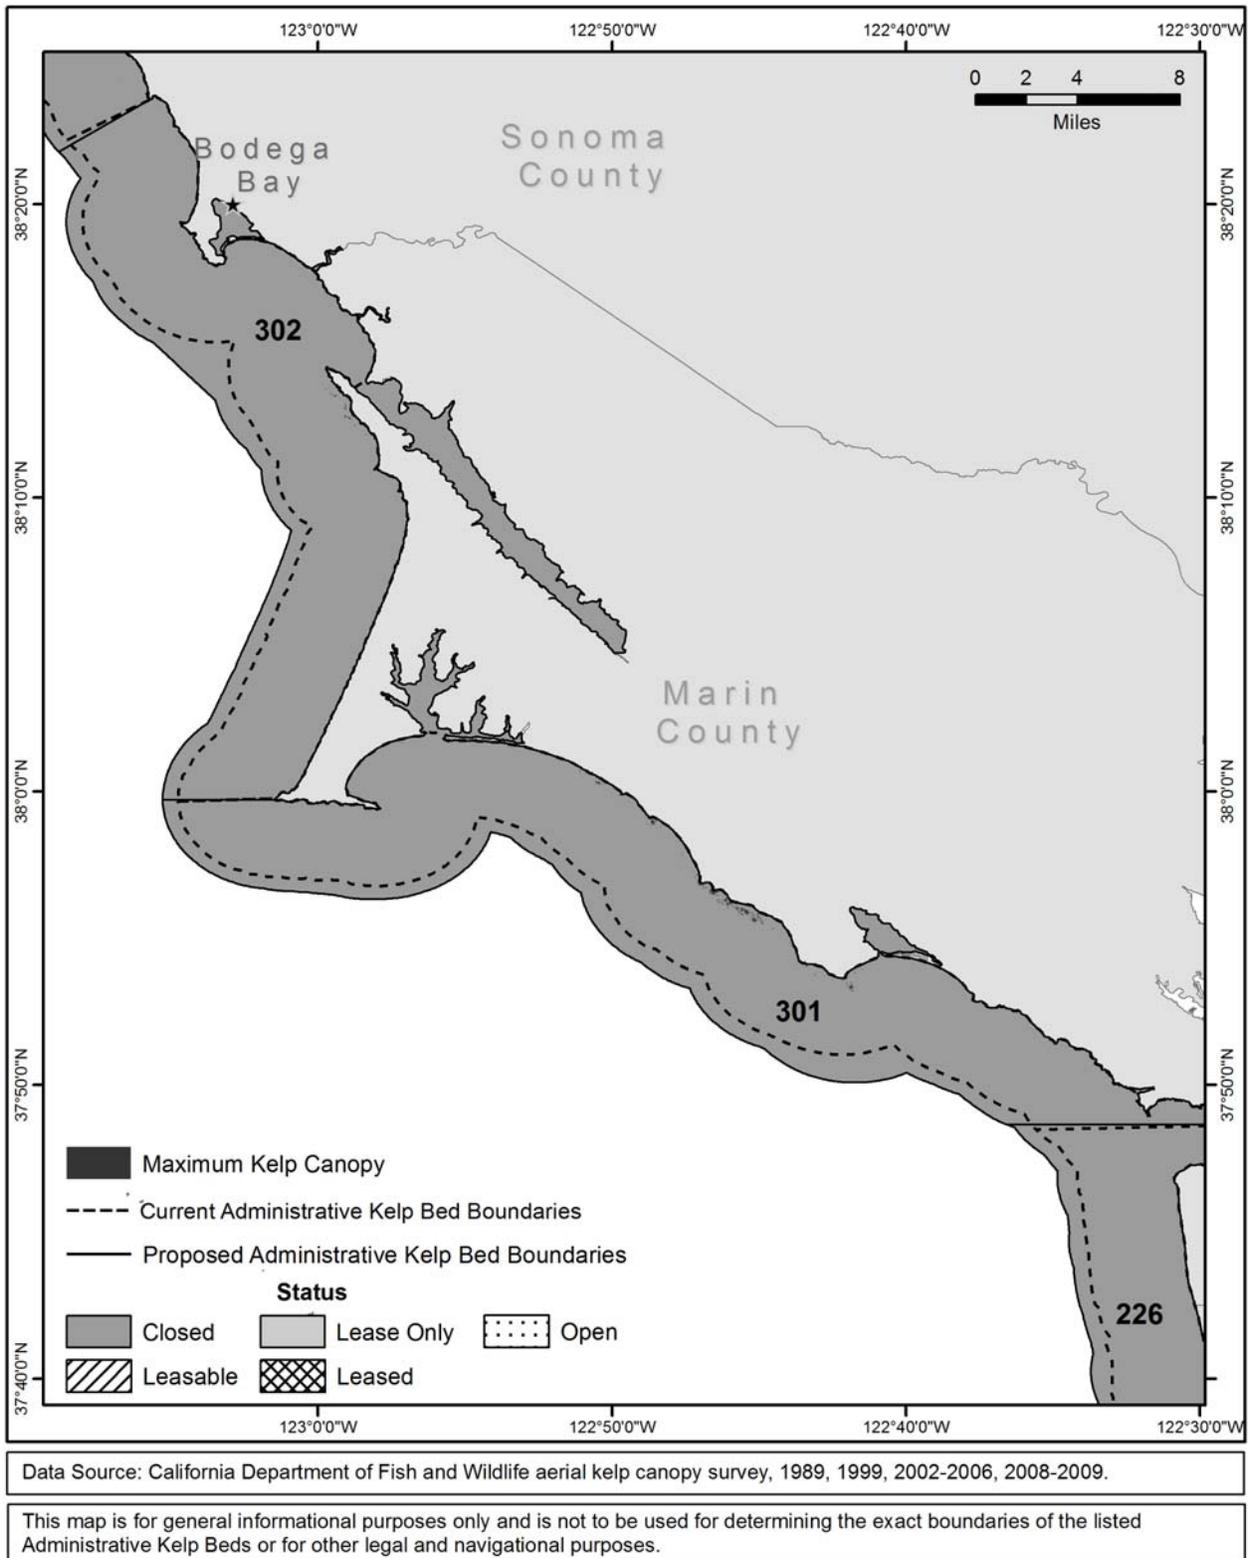

Appendix 1. Current and Proposed Administrative Kelp Bed Boundaries.

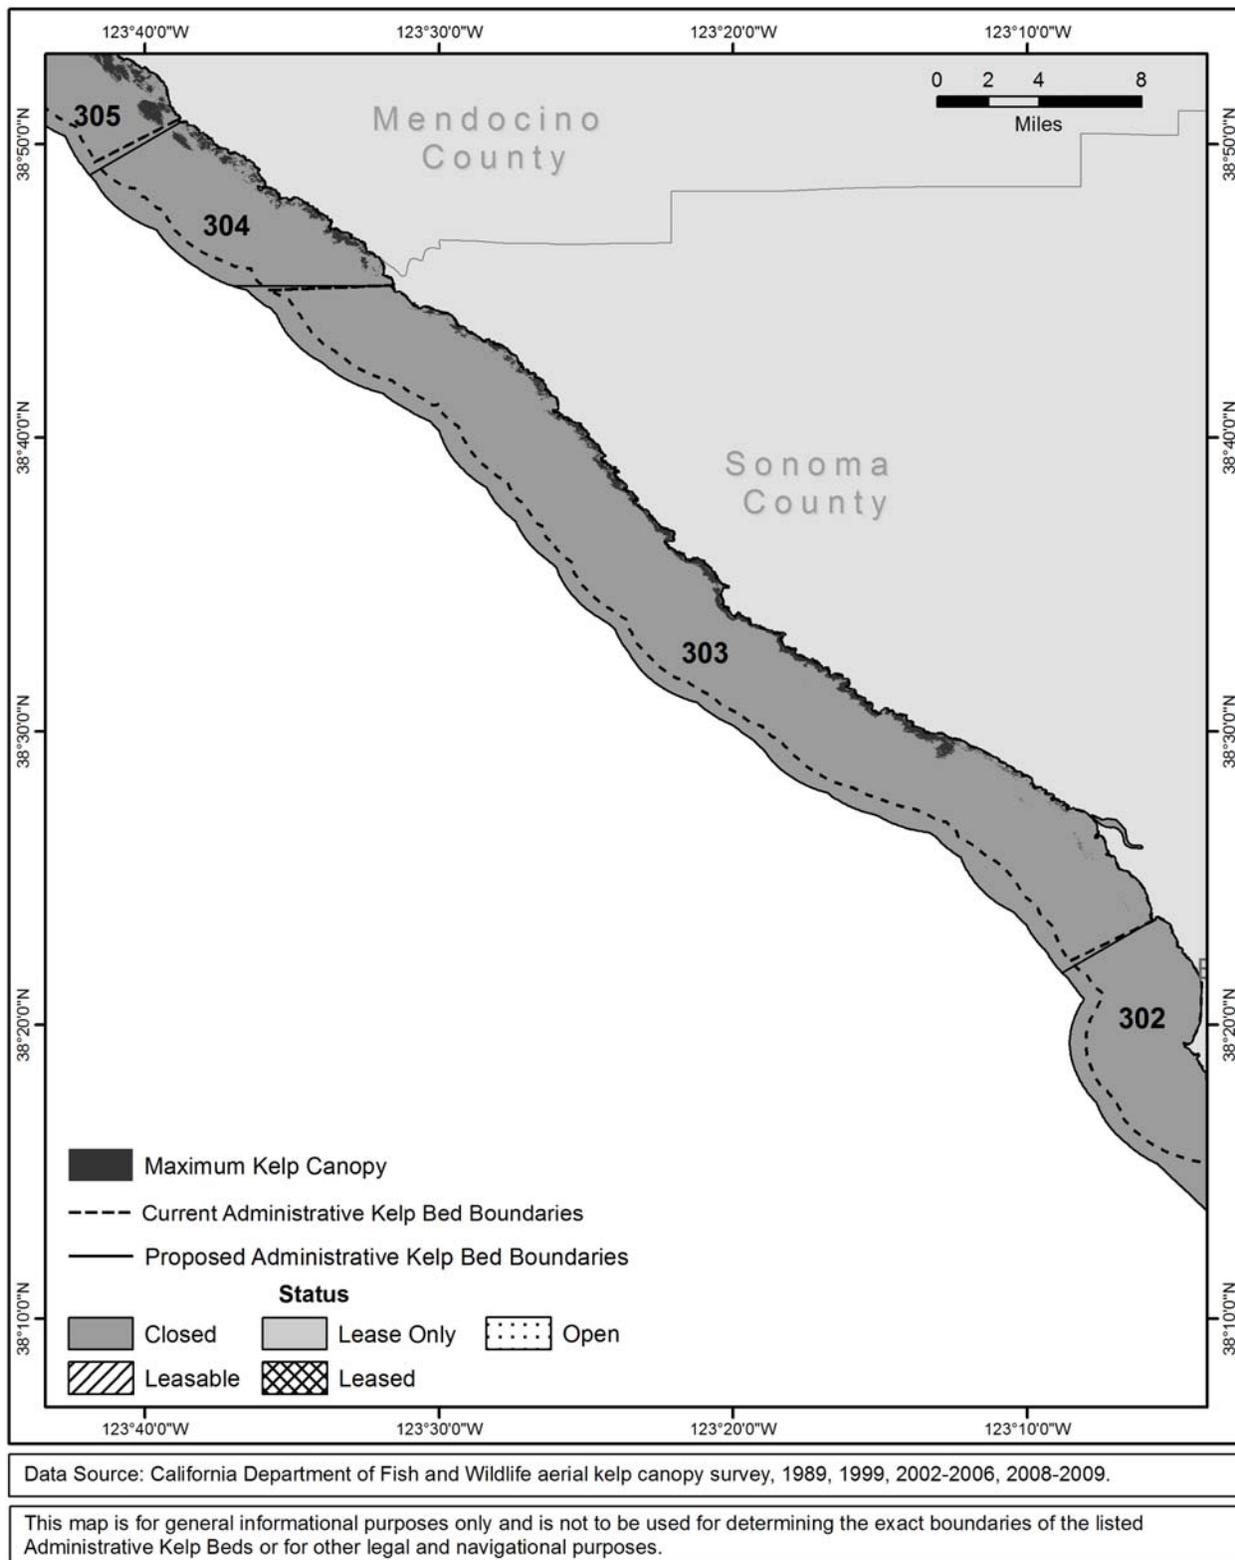

Data Source: California Department of Fish and Wildlife aerial kelp canopy survey, 1989, 1999, 2002-2006, 2008-2009.

This map is for general informational purposes only and is not to be used for determining the exact boundaries of the listed Administrative Kelp Beds or for other legal and navigational purposes.
