### ARCHERY PHEASANT SEASON

California Bowmen Hunters and State Archery Association would like to submit the following request for consideration by the Commission and Department of Fish and Game.

On August 8, 2012, at the Commission Meeting I presented a request from the California Bowmen Hunters and State archery Association to re-establish the ARCHERY ONLY Pheasant Season duration to its previous 4 week, four weekend, length and move the season from the end of the General Pheasant Season to the Four weeks preceding the General Pheasant Season. The Commissioners agreed with and accepted my proposal. However, just prior to the vote, when the motion was stated, it was stated incorrectly which retained the Archery Season as it was with no change.

We are requesting that the **Archery Only Season** begin on the **2nd Saturday in October** and run for **4 consecutive weekends**. It will end on the Sunday preceding the General Pheasant Season which opens on the 2<sup>nd</sup> Saturday of November. This will give the pheasants 5 days of rest before the gun season begins.

**The 2013 – 2014 Archery Pheasant Season would start on:  
October 12<sup>th</sup> and end on November 3<sup>rd</sup>.**

The 2013 – 2014 General Season would start on:  
November 9<sup>th</sup> and run as normal.
