

**TITLE 14. Fish and Game Commission
Notice of Proposed Changes in Regulations**

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by Section 108 of the Fish and Game Code and to implement, interpret or make specific Section 108 of said Code, proposes to amend Section 665, Title 14, California Code of Regulations, relating to meeting procedures.

Informative Digest/Policy Statement Overview

AB 2609, signed into law in September 2012, added Section 108 to the Fish and Game Code. This new statute requires the California Fish and Game Commission (Commission) to adopt rules to govern business practices and processes by July 1, 2013.

Currently, there are no Commission regulations on its meeting procedures.

Proposed Regulations

This regulatory proposal will add Section 665, Title 14, CCR, Meeting Procedures.

To ensure all speakers are given an equitable share of the speaking time for a Commission meeting agenda item, Section 665 will specify that the Commission president shall set the time available for each speaker during an agenda item.

The proposed regulation is neither inconsistent nor incompatible with existing state regulations. No other state agency has the authority to adopt regulations related to Commission business practices and processes.

NOTICE IS GIVEN that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held at the Department of Consumer Affairs, 1747 North Market Blvd., Sacramento, CA, on Wednesday, June 26, 2013, at 8:30 a.m., or as soon thereafter as the matter may be heard. It is requested, but not required, that written comments be submitted on or before June 12, 2013 at the address given below, or by fax at (916) 653-5040, or by e-mail to FGC@fgc.ca.gov. Written comments mailed, faxed or e-mailed to the Commission office, must be received before 12:00 p.m. on June 25, 2013. All comments must be received no later than June 26, 2013, at the hearing in Sacramento, CA. If you would like copies of any modifications to this proposal, please include your name and mailing address.

The regulations as proposed in strikeout-underline format, as well as an initial statement of reasons, including environmental considerations and all information upon which the proposal is based (rulemaking file), are on file and available for public review from the agency representative, Sonke Mastrup, Executive Director, Fish and Game Commission, 1416 Ninth Street, Box 944209, Sacramento, California 94244-2090, phone (916) 653-4899. Please direct requests for the above mentioned documents and inquiries concerning the regulatory process to Sonke Mastrup or Anita Biedermann, at the preceding address or phone number. Copies of the Initial Statement of Reasons, including the regulatory language, may be obtained from the address above. Notice of the proposed action shall be posted on the Fish and Game Commission website at <http://www.fgc.ca.gov>.

Availability of Modified Text

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Circumstances beyond the control of the Commission (e.g., timing of Federal regulation adoption, timing of resource data collection, timelines do not allow, etc.) or changes made to be responsive to public recommendation and comments during the regulatory process may preclude full compliance with the 15-day comment period, and the Commission will exercise its powers under Section 202 of the Fish and Game Code. Regulations adopted pursuant to this section are not subject to the time periods for adoption, amendment or repeal of regulations prescribed in Sections 11343.4, 11346.4 and 11346.8 of the Government Code. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.
