TO ALL INTERESTED AND AFFECTED PARTIES:

This is to provide you with a continuation notice of proposed regulatory action relative to Section 180.6, Title 14, California Code of Regulations, relating to commercial hagfish traps.

During the regulatory process to amend the section noted above, changes were made to the originally proposed language. Because the modified proposed regulations are different from, yet sufficiently related to, the originally proposed regulations, the Administrative Procedure Act requires that these changes be made available to you for a 15-day written comment period. Comments on the revised proposed regulations will be accepted from October 14, 2015, through October 29, 2015.

Attached for your review is the modified proposed regulatory language, with new additions shown in double underline and deletions shown in double strike-out.

The original notice, Initial Statement of Reasons for Regulatory Action, and originally proposed regulations are posted on the Fish and Game Commission's (Commission) website at http://www.fgc.ca.gov/regulations/2015/index.aspx#180_6.

Written comments on the modified proposed regulations must be received in the Commission office by 5:00 p.m. on October 29, 2015. Comments may be submitted to the Commission at the address listed above or by email to fgc@fgc.ca.gov.

Sincerely,

Sherrie Fonbuena
Associate Governmental Program Analyst
