

STATE OF CALIFORNIA  
FISH AND GAME COMMISSION  
ADDENDUM TO FINAL STATEMENT OF REASONS FOR REGULATORY ACTION

Amend Section 360(b)  
Title 14, California Code of Regulations  
Re: Deer: X Zone Hunts

Update to Section V. of the Final Statement of Reasons – Regarding 360(b)(1) X-1 Hunt

The noticed range beginning at 1,000, as reflected in the approved Deer Final Environmental Document (ED), is not sustainable. Therefore the low kill alternative from the ED is calculated based on the overwinter deer herd studies for Zone X-1 from the Deer Data Supplement (Item 8 of the rulemaking index). The department's final recommended deer tag quota for Zone X-1 is 775.
